A high-ranking scientist has been kidnapped, and a secret British intelligence agency has just recruited Deighton's iconic unnamed

protagonist—later christened Harry Palmer—to find out why. His search begins in a grimy Soho club and brings him to the other side of the world.

When he ends up amongst the Soviets in Beirut, what seemed a straightforward mission turns into something far more sinister. With its sardonic, cool, working-class hero, Len Deighton's sensational debut and first bestseller *The IPCRESS File* broke the mold of thriller writing and became the defining novel of 1960s London.

" --Happily Ever After Reviews 4 Blue Ribbons from Romance Junkies "Titillating & heartwarming, GAME SET MATCH is a delightful contemporary romance that will touch your heart. I recommend to anyone looking for a terrific story with plenty of spice." --Romance Junkies About the Author Nana's love of all things romance and adventure started with a tattered romantic suspense she borrowed from her cousin. It was a sultry summer afternoon in Ghana,

and Nana was a precocious thirteen. She's been in love with kick butt heroines ever since. With her overactive imagination, and channeling her inner Buffy, it was only a matter of time before she started creating her own characters. Waiting for her chance at a job as a ninja assassin, in the meantime Nana works out her drama, passion and sass with fictional characters every bit as sassy and kick butt as she thinks she is. Though, until that ninja job comes through, you'll find her acting out scenes for hubby, baby and puppy while catching up on her favorite reality television shows in sunny San Diego.

England and MI5 has pushed Cockney cat burglar and jewel thief Jethro out onto the rooftops of London again in defense of The Realm. And if that wasn't bad enough, London's top villains want him to do a bit of burglary for them too. Ever looming in the background are the twin specters of the growing communist menace and a resurgence of fascism. Things turn decidedly deadly when Jethro stumbles across a Royal cover-up and an extreme right-wing plot to topple Britain's new Labour Government. And all this is a mere precursor to Jethro having to pull off a very dodgy and dangerous caper, the success or failure of which could save England from going to the dogs or spell curtains for Jethro. *Horse Under Water* Trident E-Book Distribution Services Beloved author Maeve Binchy's first published novel, an engrossing coming of age tale about the incredible bond of friendship.
