Kurt Austin races to Antarctica to stop a chilling plot that imperils the entire planet in the latest novel from the #1 New York Times bestselling Grand Master of Adventure. In the early days of World War II, the infamous German Luftwaffe embark upon an expedition to Antarctica, hoping to set up a military base to support their goal of world domination. Though the military outpost never comes to fruition, what the Nazis find on the icy continent indeed proves dangerous...and will have implications far into the future. In the present day, Kurt Austin and his assistant Joe Zavala head to the freezing edge of the world after a former NUMA colleague disappears in Antarctica. While there, they discover a photo of the Luftwaffe expedition of 1939, and are drawn into a decades-old conspiracy. Even as they confront perilous waters and frigid temperatures, they are also up against a terrifying man-made weapon--a fast-growing ice that could usher in a new Ice Age. Pitted against a determined madman and a monstrous storm, Kurt and the NUMA team must unravel the Nazi-era plot in order to save the globe from a freeze that would bury it once and for all.

Poetry. "Poetry as an attempt to dynamite petrified structures, poetry as incessant reflective effort, poetry as childlike utopia. Three irreconcilable impulses, perhaps. But perhaps great works come about only in the meeting of the irreconcilable" -Urs Allemann.

*Yesterday 's Spy* Penguin UK

Isaac Bell may be on the hunt for the greatest monster of all time in this riveting action-adventure novel from #1 New York Times – bestselling author Clive Cussler. The year is 1911. Chief Investigator Isaac Bell of the Van Dorn Detective Agency has had many extraordinary cases before. But none quite like this. Hired to find a young woman named Anna Pape who ran away from home to become an actress, Bell gets a shock when her murdered body turns up instead. Vowing to bring the killer to justice, he begins a manhunt which leads him into increasingly more alarming territory. Anna Pape was not alone in her fate—petite young blond women like Anna are being murdered in cities across America. And the pattern goes beyond the physical resemblance of the victims—there are disturbing familiarities about the killings themselves that send a chill through even a man as experienced with evil as Bell. If he is right about his fears, then he is on the trail of one of the greatest monsters of his time.
