EXAMS! Just the

word is enough to bring you out in a muck sweat. We've all been there, staring at the paper, wondering what it means, and if we'll get extra marks for a funny answer or just pelters and an 'F' for F'un Eejit-Heid Failure. F'un Exams is a hilarious collation of exam answers that most of us would have liked to have made, just for the hell of it. In Home Eccy, for instance, the question, 'Name three typical

Scottish dishes' got the answer, 'A cup, a plate, and a wee saucer with a chip out of it.' Was that you? So reminisce, step back into the exam hall, and have a laugh at the true and allegedly true howlers in F'un Exams. And if it wasn't you that gave these answers, you'll wish it was.

Entertainment Weekly, USA Today, TIME, The A.V. Club, BuzzFeed, and PopSugar “ I can ’ t believe how good this book is... It ’ s wholly original. It ’ s also perfect.... Wilson writes with such a light touch.... —Taffy Brodesser-Akner, author of *Fleishman is in Trouble*, New York Times Book Review From the New York Times bestselling author of *The Family Fang*, a moving and uproarious novel about a woman who finds meaning in her life when she begins caring for two children with a remarkable ability. Lillian and Madison were unlikely roommates and yet inseparable friends at their elite boarding school. But then Lillian had to leave the

school unexpectedly in the wake of a scandal and they ' ve barely spoken since. Until now, when Lillian gets a letter from Madison pleading for her help. Madison ' s twin stepkids are moving in with her family and she wants Lillian to be their caretaker. However, there ' s a catch: the twins spontaneously combust when they get agitated, flames igniting from their skin in a startling but beautiful way. Lillian is convinced Madison is pulling her leg, but it ' s

the truth. Thinking that she needs these of her dead-end life at home, the life that has consistently disappointed her, Lillian figures she has nothing to lose. Over the course of one humid, demanding summer, Lillian and the twins learn to trust each other—and stay cool—while also staying out of the way of Madison ' s buttoned-up politician husband. Surprised by her own ingenuity yet unused to the intense feelings of protectiveness she feels for them, Lillian ultimately begins to accept

strange children as much as they need her—urgently and fiercely. Couldn ' t this be the start of the amazing life she ' d always hoped for? With white-hot wit and a big, tender heart, Kevin Wilson has written his best book yet—a most unusual story of parental love. *Of Mice and Men* Workman Publishing Okonkwo is the greatest warrior alive, famous throughout West Africa. F in Exams Penguin UK NEW YORK TIMES BESTSELLER • Finalist for the PEN/USA Award in Creative Nonfiction, the Thurber Prize for American Humor, and the Audie Award in Biography/Memoir This Random House Reader's Circle edition includes a reading group

guide and a conversation between Firoozeh Dumas and Khaled Hosseini, author of *The Kite Runner!* “Remarkable . . . told with wry humor shorn of sentimentality . . . In the end, what sticks with the reader is an exuberant immigrant embrace of America.” —San Francisco Chronicle In 1972, when she was seven, Firoozeh Dumas and her family moved from Iran to Southern California, arriving with no firsthand knowledge of this country beyond her father’s glowing memories of his graduate school years here. More family soon followed, and the clan has been here ever since. Funny in Farsi chronicles the American journey of Dumas’s wonderfully engaging family: her engineer father, a sweetly quixotic dreamer who first sought riches on Bowling for Dollars and in Las Vegas, and later lost his job during the Iranian revolution; her elegant mother, who never fully mastered English (nor cared to); her uncle, who combated the effects of American fast food with an army of miraculous American weight-loss gadgets; and Firoozeh herself, who as a girl changed her name to Julie, and who encountered a second wave of culture shock when she met and married a Frenchman, becoming part of a one-couple melting pot. In a series of deftly drawn scenes,

we watch the family grapple with American English (hot dogs and hush puppies)—a complete mystery), American traditions (Thanksgiving turkey?—an even greater mystery, since it tastes like nothing), and American culture (Firoozeh 's parents laugh uproariously at Bob Hope on television, although they don ' t get the jokes even when she translates them into Farsi). Above all, this is an unforgettable story of identity,

discovery, and the power of family love. It is a book that will leave us all laughing—without an accent. Praise for *Funny in Farsi* is and hilarious—in any language. ” —Glamour “ A joyful success. ” —Newsday “ What ' s charming beyond the humor of this memoir is that it remains affectionate even in the weakest, most tenuous moments for the culture. It ' s the brilliance of true sophistication at work. ” —Los Angeles Times Book Review

“ Often hilarious, always interesting . . . Like the movie *My Big Fat Greek Wedding*, this book describes with humor the intersection and overlapping of two cultures. ” —The Providence Journal “ A humorous and introspective chronicle of a life filled with love—of family, country, and heritage. ” —Jimmy Carter “ Delightfully refreshing. ” —Milwaukee Journal Sentinel “ [*Funny in Farsi*] brings us closer to discovering what

it means to be an illustrated. If American.” —Sanyou need jokes Jose Mercury News

Jan Wong, a Canadian of Chinese descent, went to China as a starry-eyed Maoist in 1972 at the height of the Cultural Revolution. A true believer -- and one of only two Westerners permitted to enroll at Beijing University -- her education included wielding a pneumatic drill at the Number One Machine Tool Factory. In the name of the Revolution, she renounced rock

and roll, hauled pig manure in the paddy fields, and turned in a fellow student who sought her help in getting to the United States.

She also met and married the only American draft dodger from the Vietnam War to seek asylum in China. Red China Blues begins as Wong's startling -- and ironic -- memoir of her rocky six-year romance with Maoism that began to sour as she became aware of the harsh realities of Chinese communism and led to her eventual repatriation to the West.
