Reader's Circle edition includes a reading
group guide and a conversation between
Firoozeh Dumas and Khaled Hosseini, author
of *The Kite Runner*! "Remarkable . . . told with

wry humor shorn of sentimentality . . . In the end, what sticks with the reader is an exuberant immigrant embrace of America."—San Francisco Chronicle In 1972, when she was seven, Firoozeh Dumas and her family moved from Iran to Southern California, arriving with no firsthand knowledge of this country beyond her father's glowing memories of his graduate school years here. More family soon followed, and the clan has been here ever since. *Funny in Farsi* chronicles the American journey of Dumas's wonderfully engaging family: her engineer father, a sweetly quixotic dreamer who first sought riches on Bowling for Dollars and in Las Vegas, and later lost his job during the Iranian revolution; her elegant mother, who never fully mastered English (nor cared to); her uncle, who combated the effects of

American fast food with an army of miraculous American weight-loss gadgets; and Firoozeh herself, who as a girl changed her name to Julie, and who encountered a second wave of culture shock when she met and married a Frenchman, becoming part of a one-couple melting pot. In a series of deftly drawn scenes, we watch the family grapple with American English (hot dogs and hush puppies?—a complete mystery), American traditions (Thanksgiving turkey?—an even greater mystery, since it tastes like nothing), and American culture (Firoozeh's parents laugh uproariously at Bob Hope on television, although they don't get the jokes even when she translates them into Farsi). Above all, this is an unforgettable story of identity, discovery, and the power of family love. It is a book that will leave us all laughing—without an accent.

Praise for Funny in Farsi “Heartfelt and hilarious—in any language.”—Glamour “A joyful success.”—Newsday “What’s charming beyond the humor of this memoir is that it remains affectionate even in the weakest, most tenuous moments for the culture. It’s the brilliance of true sophistication at work.”—Los Angeles Times Book Review “Often hilarious, always interesting . . . Like the movie My Big Fat Greek Wedding, this book describes with humor the intersection and overlapping of two cultures.”—The Providence Journal “A humorous and introspective chronicle of a life filled with love—of family, country, and heritage.”—Jimmy Carter “Delightfully refreshing.”—Milwaukee Journal Sentinel “[Funny in Farsi] brings us closer to discovering what it means to be an American.”—San Jose Mercury News Top Secret Business Humor Chronicle Books A must-have resource for librarians, teachers, and parents on the popular and growing area of teen nonfiction—a genre now mandated by the Common Core Standards.

EXAMS! Just the word is enough to bring you out in a muck sweat. We've all been there, staring at the paper, wondering what it means, and if we'll get extra marks for a funny answer or just pelters and an 'F' for F'un Eejit-Heid Failure. F'un Exams is a hilarious collation of exam answers that most

of us would have liked to have made, just for the hell of it. In Home Ec, for instance, the question, 'Name three typical Scottish dishes' got the answer, 'A cup, a plate, and a wee saucer with a chip out of it.' Was that you? So reminisce, step back into the exam hall, and have a laugh at the true and allegedly true howlers in *Fun Exams*. And if it wasn't you that gave these answers, you'll wish it was.

OH NO!!! You found *The Worst Book in the Whole Entire World*! Well, since you're already here I may as well tell you about it... Poor Nameless tries to explain to the reader why this book is simply the WORST book in the whole entire world. Will he succeed in his noble quest? Is he the reason this book is the worst?? Will it have a happy ending or the worst ending ever???

The Worst Book in the Whole Entire World is a humorous and witty tale for young and seasoned readers. Whatever you do though, don't read it out loud! You may catch wind of these words: toot, stinky, booger, and booty. You've been warned, but you'll still want to see what happens next!

Lord of the Flies ABC-CLIO

We've all giggled at the answers that have been given to some Scottish exam questions. This collection of hilarious howlers will make you thank your lucky stars that no one took a note of your answers.

The Language of Humor Black & White Publishing

F in Exams Chronicle Books

Humor 101 F in Exams

Much of today's communication is carried out through various kinds of humor, and we therefore need to be able to understand its many aspects. Here, two of the world's leading pioneers in humor studies, Alleen and Don Nilsen, explore how humor can be explained across the numerous sub-disciplines of linguistics. Drawing on examples from language play and jokes in a range of real-life contexts, such as art, business, marketing, comedy, creative writing, science, journalism and politics, the authors use their own theory of 'Features, functions and subjects of Humor' to analyze humor across all disciplines. Each highly accessible chapter uses a rich array of examples to stimulate discussion and interaction even in large classes.

Supplemental PowerPoints to accompany each of the 25 chapters are available online, taking many of the insights from the chapters for further interactional discussions with students.

Q: What happens to a boy when he reaches puberty? A: He says goodbye to childhood and

enters adultery. Q: How can you prevent milk turning sour? A: Keep it in the cow. We've all been there. You've been studying hard, the day of the BIG test arrives, you turn over the paper, and 'what the *&%@ does that mean?!' Not a clue. Some students, rather than admit defeat, choose to adopt a more creative approach to answering those particularly awkward exam questions. Packed full of hilarious examples, this book will bring a smile to the face of teachers, parents and students alike – and anyone who's ever had to sit a test.

F in Exams: Pop Quiz John Wiley & Sons

If the scrawl of red pen and a note from teacher to 'see me after class' are familiar memories from your school days, then you are not alone. In *School Fail*, readers will find a fantastic selection of the side-splitting bloopers, mistakes and misunderstandings that kids have boldly come out with in their school work: from the innocent mispronunciations of younger children, to the facetious, inventive, or just downright stupid remarks of older students who should know better. For example: Q: Name the four seasons. A: Salt, pepper, mustard and vinegar; 'John Milton wrote *Paradise Lost*. Then his wife died and he wrote *Paradise Regained*.'; 'The earth is

surrounded by the moon, the sun, Mars and Penis.' Ridiculously funny and endlessly entertaining, *School Fail* celebrates the unique - and usually entirely unintentional - humour of students everywhere, guaranteed to have readers of any age howling in disbelief.

A guide to putting cognitive diversity to work Ever wonder what it is that makes two people click or clash? Or why some groups excel while others fumble? Or how you, as a leader, can make or break team potential? Business Chemistry holds the answers. Based on extensive research and analytics, plus years of proven success in the field, the Business Chemistry framework provides a simple yet powerful way to identify meaningful differences between people's working styles. Who seeks possibilities and who seeks stability? Who values challenge and who values connection? Business Chemistry will help you grasp where others are coming from, appreciate the value they bring, and determine what they need in order to excel. It offers practical ways to be more effective as an individual and as a leader. Imagine you had a more in-depth understanding of yourself and why you thrive in some work environments and flounder in others. Suppose you had a clearer view on what to do about it so that you could always perform at your best. Imagine you had more insight into what makes people tick and what ticks them off, how some interactions unlock potential while others shut people down. Suppose you could gain people's trust, influence them, motivate them, and get the very most out of your work relationships. Imagine you knew how to create a work environment where all types of people excel, even if they have conflicting perspectives, preferences and needs. Suppose you could activate the potential benefits of diversity on your teams and in your organizations, improving collaboration to achieve

the group's collective potential. Business Chemistry offers all of this--you don't have to leave it up to chance, and you shouldn't. Let this book guide you in creating great chemistry!

Dear Mrs. Bird Chronicle Books
Updated and revised for 2019! Do you know someone who will soon be getting or has recently obtained their driver's license that makes you think twice about going out on the road? Maybe a friend or family member who is a notoriously bad driver who is constantly getting into car accidents? This gag driver's education book is the perfect way to tell them that you care and secretly fear them. In the *New Driver's Guide to Things to NOT Crash Into*, we focus on some very basic driving fundamentals, such as: What is a car? What are those round things at the bottom Where does it belong? In the second portion of the book we walk through dozens of examples of people, places and things that should not be crashed into at any time. We also take care to sarcastically explain reasons why these items are firmly on the DO NOT CRASH INTO list. Some practical examples for newly licensed drivers are: People Other cars Trees Houses Icebergs Mountains Creepy Garden Gnomes And many more! Pick up a copy for new driver in your family or circle of friends who will appreciate a good gag book and get a few good laughs as they learn to become safe and responsible drivers.
