F for Effort CTPI
From the author of the national bestseller *F in Exams* comes a brand new compendium of hilarious and inventive wrong test answers and homework hiccups. Featuring gems from elementary school ("two halves make a whale"), middle grades (Q: What does "germinate" mean? A: To become a German citizen), and high school (Q: Fossil fuels are usually associated with which major type of rock? A: Classic rock), these 250 examples of creative invention are sure to charm anyone who has had to bluff or blunder their way through a test.

A one-of-a-kind celebration of America's greatest comic strip--and the life lessons it

can teach us--from a stellar array of writers and artists Over the span of fifty years, Charles M. Schulz created a comic strip that is one of the indisputable glories of American popular culture--hilarious, poignant, inimitable. Some twenty years after the last strip appeared, the characters Schulz brought to life in Peanuts continue to resonate with millions of fans, their beguiling four-panel adventures and television escapades offering lessons about happiness, friendship, disappointment, childhood, and life itself. In *The Peanuts Papers*, thirty-three writers and artists reflect on the deeper truths of Schulz's deceptively simple comic, its impact on their lives and art and on the broader culture. These enchanting, affecting, and often quite personal essays show just how much Peanuts means to its many admirers--and the ways it invites us to

ponder, in the words of Sarah Boxer, "how to survive and still be a decent human being" in an often bewildering world. Featuring essays, memoirs, poems, and two original comic strips, here is the ultimate reader's companion for every Peanuts fan. Featuring: Jill Bialosky Lisa Birnbach Sarah Boxer Jennifer Finney Boylan Ivan Brunetti Hilary Fitzgerald Campbell Rich Cohen Gerald Early Umberto Eco Jonathan Franzen Ira Glass Adam Gopnik David Hajdu Bruce Handy David Kamp Maxine Hong Kingston Chuck Klosterman Peter D. Kramer Jonathan Lethem Rick Moody Ann Patchett Kevin Powell Joe Queenan Nicole Rudick George Saunders Elissa Schappell Seth Janice Shapiro Mona Simpson Leslie Stein Clifford Thompson David L. Ulin Chris Ware

The latest Lydia Chin/Bill Smith mystery takes the acclaimed detective duo into

the Deep South to investigate a murder within the Chinese community. *The Most Southern Place on Earth*: that's what they call the Mississippi Delta. It's not a place Lydia Chin, an American-born Chinese private detective from Chinatown, NYC, ever thought she'd have reason to go. But when her mother tells her a cousin Lydia didn't know she had is in jail in Clarksdale, Mississippi--and that Lydia has to rush down south and get him out--Lydia finds herself rolling down Highway 61 with Bill Smith, her partner, behind the wheel. From the river levees to the refinement of Oxford, from old cotton gins to new computer scams, Lydia soon finds that nothing in Mississippi is as she expected it to be. Including her cousin's legal troubles--or possibly even his innocence. Can she uncover the truth in a place more foreign to her than any she's ever seen?

American Primary Teacher

F stands for "funny" in this perfect gift for students or anyone who has ever had to struggle through a test and needs a good laugh. Celebrating the creative side of failure in a way we can all relate to, F in Exams gathers the most hilarious and inventive test answers provided by students who, faced with a question they have no hope of getting right, decide to have a little fun instead. Whether in science (Q: What is the highest frequency noise that a human can register? A: Mariah Carey), the humanities (Q: What did Mahatma Gandhi and Genghis Khan have in common? A: Unusual names), math, or other subjects, these 250 entries prove that while everyone enjoys the spectacle of failure, it's even sweeter to see a FAIL turn into a WIN.
