LIMITED PAPERBACK AUGUST DEAL - SAVE 74% NOW REGULAR PRICE: \$49.99 ONLY TODAY:

\$13.38 1. BONUS: Buy The Paperback Version And Get FREE Access To The Kindle Version 2. Money Back Guarantee Without Any Questions Asked 3. Read FOR FREE On Kindle Unlimited Forex Trading Series Book #1 Learn The Most Profitable Strategies To Make (And Keep) Money with Forex Trading! The Foreign Exchange Currency Market, more commonly referred to as the Forex Market, is the largest investment market in the world, bar none. Every day it sees more than four trillion dollars' worth of trade or about 10 times what the New York Stock Exchange can expect on a regular day. Despite the size of the market and the extensive amount of trading that it sees on an average day, it was historically quite difficult for the average investor to track down the required information quickly enough to trade in the market effectively. This is no longer the case today, however, as the internet has made it possible for anyone to get in on the action and take advantage of the 50 to 1 leverage opportunities that it provides. If you have been looking for a way to take control of your financial future then look no further than Forex Trading: How to Make Serious Money Trading Forex (Even if You're a Complete Beginner). Inside you will find everything you ever wanted to know about the forex market, as well as the many ways you can put its unique quirks to work for you. It doesn't matter if you have been trading successfully for years and are just looking to break into the forex market or if you are a complete novice, you will find the tools you need to be a financial success inside. [The Advanced Forex and Options Trading Guide](#) Createspace Independent Publishing Platform

There are many books that promise to teach you highly profitable trading systems, to show you how easy making money trading the forex really is. This is not one of those books. Forex for Ambitious Beginners will not turn you into a profitable trader, only you can do that, through practice, study and persistence. But this book will help you avoid many, many mistakes beginning traders make. You will learn essential elements of successful forex trading, such as how to protect your trading capital, how to find a forex trading strategy that matches with your trader personality and how to build your own trading system and tweak it for optimum performance. The book will also touch on important basics about the FX market that traders need to know about. Who the players on the forex are for instance, and which factors influence the most important currencies. Other topics include specific forex trading strategies, popular technical indicators, how to read candlestick charts and how to recognize chart patterns. Forex for Ambitious Beginners is about minimizing risk and maximizing potential, about looking for ways to continuously bend the odds in your favor. It will provide you with a solid foundation on which you can start building your forex trading career. The book concludes with a challenging quiz, offering detailed explanations of the correct answers. In short, if you're ambitious and want to really learn how to trade the forex -- as opposed to being spoon-fed a fantasy about some super strategy -- then Forex for Ambitious Beginners is for you. About the author Jelle Peters is the founder of the popular forex website www.forexinfo.nl. He writes daily currency analysis, has published numerous articles on forex strategies and is a sought after speaker for forex webinars and seminars. See also www.forexforambitiousbeginners.com

The Advanced Forex Trading Guide John Wiley & Sons

FXstreet.Com 's 2013 Best Book Award! The Sensible Guide to Forex: Safer, Smarter Ways to Survive and Prosper from the Start is written for the risk averse, mainstream retail investor or trader seeking a more effective way to tap forex markets to improve returns and hedge currency risk. As the most widely held currencies are being devalued, they're taking your portfolio down with

them—unless you're prepared. For traders, the book focuses on reducing the high risk, complexity, and time demands normally associated with forex trading. For long-term investors, it concentrates on how to hedge currency risk by diversifying portfolios into the strongest currencies for lower risk and higher capital gains and income. The usual forex materials don't provide practical answers for most retail traders or longer term investors. Virtually all forex trading materials focus on time-consuming, high-leverage, high-risk methods at which most traders fail. Materials about long-term investing in foreign assets rarely take into account the prospects of the related currency. A falling currency can turn an otherwise good investment into a bad one. Throughout the book, the emphasis is on planning and executing only low risk, high potential yield trades or investments and avoiding serious losses at all costs. Packed with richly illustrated examples every step of the way and including additional appendices and references to online resources, the book is the ultimate guide to forex for retail traders and investors seeking to tap forex markets for better currency diversification and income. Provides traders with safer, smarter, less complex and time-consuming ways to trade forex with higher odds of success. These include the use of such increasingly popular new instruments like forex binary options and social trading accounts that mimic expert traders. Shows investors how to identify the currencies most likely to hold or increase their value, and provides a wealth of ideas about how to apply that knowledge to a long-term, low-maintenance portfolio for both income and capital appreciation. Helps anyone seeking an asset class with low correlation to other markets by explaining how the very nature of forex markets means that regardless of market conditions there's always a playable trend somewhere, regardless of what other asset markets are doing, and how to find and exploit it for a short-term trade or a long-term investment in a currency pair, stock, bond, or other asset The Sensible Guide to Forex is only book that teaches mainstream risk averse investors and traders how to build a portfolio that 's diversified by currency exposure as well as by asset class and sector, via a variety of safer, simpler methods to suit different needs, risk tolerances, and levels of expertise. Written by Cliff Wachtel, a 30+ year financial market writer, advisor, and analyst, The Sensible Guide to Forex offers practical solutions to the above dilemmas faced by every serious, prudent investor. A must own for any informed investor-but don ' t take out word for it - see advanced reviews at:

17 Proven Currency Trading Strategies, + Website Neil Sharp

Written by Kathy Lien—chief strategist for the number one online currency broker in the world—Day Trading the Currency Market reveals a variety of technical and fundamental profit-making strategies for trading the currency market, and provides a detailed look at how this market actually works. It contains actionable information and strategies, which can help you enter this highly competitive arena with confidence and exit with profits.

Forex Trading Strategies eBookIt.com

Please check out the reviews on the smaller print book which has been around for a couple of years - it's the same book, just in larger print!All of Jim's FOREX books are consistently ranked BEST SELLERS on Amazon and there is a very good reason for this. At no extra cost (or on-costs) Jim shares with his readers: His custom indicators for the MT4/MT5 MetaTrader platform as a download at the end of the book. An invitation to join his Facebook Group and Telegram Group which has new as well as experienced Forex Traders contributing. Day-to-day interaction in his Facebook Group and Telegram Group. He calls his trades live, shares his results AND records a variety of trade analysis videos. His contact details if you require further clarification. Jim, from Queensland Australia, is a full-time Forex Trader, currently residing in Vietnam. His knowledge of currency trading extends over a 17 year period and has

evolved from the old fashioned manual charting when he first started in 2002, to trading on multiple screens and entering the arena of automated trading. During this time, he has developed and shared many trading systems for free, and assisted many new traders through various blogs and forum participation. This book is for those of you who are just starting to consider trading Forex but don't know where to start, given the abundance of information on the internet. It is a good first book to read, to gain an understanding of the very basics. As an added Bonus, Jim offers one of his Trading Systems, as well as the indicators without any further on-costs. Check out his YouTube vids, chat with him on Facebook - he's an approachable guy who is passionate about trading. Here Is an outline of what is included: What is Forex? Advantages of Trading Forex When the Forex market is open Forex pairs Where we trade Forex Choosing a Broker Important information for US based traders Lot size and equivalent pip value Information on risk News and fundamental analysis Technical analysis Risk-reward ratio Types of orders How many pips is enough Trading psychology Day trading or longer term trading? Keeping a journal or diary Jim's other books MT4/MT5 High Probability Forex Trading Method Trading Forex with Divergence on MT4/MT5 What people are saying...I was a bit skeptical prior to ordering this as it is only 72 pages in length. However the author covered concepts and principles in very direct and easy to understand manner. I have read other authors that would have no doubt used three times the verbiage and none of the clarity possessed by Jim Brown. All in all I am very pleased with my purchase. - Darrell R Allen Buy "Forex for Dummies" or something similar for a detailed background of Forex, then buy this book. It is well written and to the point. I recently paid \$40 for a system which did not do much but generate daily emails promoting many more expensive systems. Jim's free system is easy to implement and follow, and it works. Also, there is no upselling. I felt that he wants people to succeed. I also bought his other book, which includes another free system. Both will be valuable to new Forex traders like myself. - Terrence E Winnie This book, using an easy language, explains all things needed to start trading Forex. The included bonus system is also very easy to understand. The system gave me for example 125 pips trading EURUSD on 16 th June. - Amazon Customer Introduction To Forex Trading eBookIt.com

Do You Want to Trade Your Way to Constant Profit on the Forex Market? For a beginner, the Forex market is difficult to navigate. The FX Bootcamp Guide to Strategic and Tactical Forex Trading FT Press

EXPERT, DEPENDABLE FOREX COACHING—UPDATED TO KEEP YOU AHEAD IN AN EVOLVING MARKET The Forex Trading Course is the systematic guide aspiring traders need to enter the market with the confidence and skills necessary to generate wealth. Masterfully written so both basic and complex concepts are readily accessible, this all-inclusive training tool outlines a practical course of action to develop strategies integrating fundamental and technical analysis. It also demonstrates how to identify high-probability patterns and trades, adjust your trading plan for different account sizes, use emotional intelligence to improve trading performance, and much more. This second edition is fully revised to address: • Changes brought about by quantitative easing and central bank intervention—including greater spikes and disruptions in the forex and the influence of global growth and inflation on the market • Using binary options with forex trades to make accurate predictions on direction, targets, and stops • Social media trading and how to navigate herding behavior and swarming patterns • The latest insights and trends in cryptocurrencies such as Bitcoin Complete with practice assignments to reinforce the material and a supplemental website to enhance your knowledge, The Forex Trading Course, Second Edition unlocks your optimal potential for profitable currency trading.
