The accompaniment presents a practical keyboard representation of the orchestral accompaniment. Edited by Damian Cranmer.
The Messiah. A Sacred Oratorio ... By G.F. Handel. Book of Words CreateSpace
From Handel's renowned biographer, the story of one of the most celebrated compositions of Western classical music, Handel's famous oratorio, Messiah In the late summer of 1741, George Friderick Handel, composed an oratorio set to words from the King James Bible, rich in tuneful arias and magnificent choruses. Jonathan Keates recounts the history and afterlife of Messiah, one of the best-loved works in the classical repertoire. He relates the composition's first performances and its relationship with spirituality in the age of the Enlightenment, and examines how Messiah, after Handel's death, became an essential component of our musical canon. An authoritative and affectionate celebration of the high-point of the Georgian golden age of music, Messiah is essential reading for lovers of classical music.

Tainted Glory in Handel's Messiah W. W. Norton & Company
Handel s oratorio Messiah is a phenomenon with no parallel in music history. No other work of music has been so popular for so long. Yet familiarity can sometimes breed contempt and also misunderstanding. This book by music expert Calvin Stapert will greatly increase understanding and appreciation of Handel s majestic Messiah, whether readers are old friends of this remarkable work or have only just discovered its magnificence. Stapert provides fascinating historical background, tracing not only Messiah s unlikely inception but also its amazing reception throughout history. The bulk of the book offers scene-by-scene musical and theological commentary on the whole work, focusing on the way Handel s music beautifully interprets and illuminates the biblical text. For anyone seeking to appreciate Handel s Messiah more, this informed yet accessible guide is the book to have and read. (Handel s Messiah: Comfort for God s People is the newest volume in the flourishing Calvin Institute of Christian Worship Liturgical Studies Series, edited by John D. Witvliet.)
Selections from Easy Piano Alfred Music

Jonathan Keates original biography of Handel was hailed as a masterpiece on its publication in 1985. This fully revised and updated new edition - published to commemorate the 250th anniversary of the composers death - charts in detail Handel's life, from his youth in Germany, through his brilliantly successful Italian sojourn, to the opulence and squalor of Georgian London where he made his permanent home. For over two decades Handel was absorbed in London's heady but precarious operatic world. But even his phenomenal energy and determination could not overcome the public's growing indifference to Italian opera in the 1730s, and he turned finally to oratorio, a genre which he made peculiarly his own and in which he created some of his finest works, such as Saul, Messiah, Belshazzar and Jephtha. Over the last two decades a complete revolution in Handel's status has taken place. He is now seen both as a titanic figure in music, whose compositions have found a permanent place in the international repertoire, and as one of the world's favourite composers, with snatches of his work accompanying weddings, funerals and television commercials the world over. Skillfully interwoven with the account of Handel's life are commentaries on all his major works, as well as many less familiar pieces by this most inventive, expressive and captivating of composers. Handel was an extraordinary genius whose career abounded in reversals that would have crushed anyone with less resilience and will power, and Jonathan Keates writes about his life and work with sympathy and scrutiny.

Hallelujah Chorus Random House
This glorious oratorio by Handel transcribes very well for double brass quintet. Brilliant fanfare figures in the trumpets and the powerful choral parts given to the horns and trombones make this piece a newly discovered brass master work. The range and technical demands are reasonable for all players.

Behold the Lamb John Wiley & Sons
During his lifetime, the sounds of Handel ' s music reached from court to theater, echoed in cathedrals, and filled crowded taverns, but the man himself—known to most as the composer of Messiah—is a bit of a mystery. Though he took meticulous care of his musical manuscripts and even provided for their preservation on his death, very little of an intimate nature survives. One document—Handel ' s will—offers us a narrow window into his personal life. In it, he remembers not only family and close colleagues but also neighborhood friends. In search

of the private man behind the public figure, Ellen T. Harris has spent years tracking down the letters, diaries, personal accounts, legal cases, and other documents connected to these bequests. The result is a tightly woven tapestry of London in the first half of the eighteenth century, one that interlaces vibrant descriptions of Handel ' s music with stories of loyalty, cunning, and betrayal. With this wholly new approach, Harris has achieved something greater than biography. Layering the interconnecting stories of Handel ' s friends like the subjects and countersubjects of a fugue, Harris introduces us to an ambitious, shrewd, generous, brilliant, and flawed man, hiding in full view behind his public persona.

G. F. Handel: Messiah: A sacred oratorio arranged for SATB with piano part. Edited, with piano reduction, by Watkins Shaw.
Classical Music For Dummies Wm. B. Eerdmans Publishing
'How refreshing, to read a book about music written for a music lover and not a musicologist. In clear, lucid, entertaining prose, Jane Glover makes those of us who lack musical literacy better understand and appreciate Handel ' s divinity.' - Donna Leon, author of Handel's Bestiary and the Inspector Brunetti mysteries. Handel in London tells the story of a young German composer who in 1712, followed his princely master to London and would remain there for the rest of his life. That master would become King George II and the composer was George Frideric Handel. Handel, then still only twenty-seven and largely self-taught, would be at the heart of musical activity in London for the next four decades, composing masterpiece after masterpiece, whether the glorious coronation anthem, Zadok the Priest, operas such as Giulio Cesare, Rinaldo and Alcina or the great oratorios, culminating, of course, in Messiah. Here, Jane Glover, who has conducted Handel ' s work in opera houses and concert halls throughout the world, draws on her profound understanding of music and musicians to tell Handel ' s story. It is a story of music-making and musicianship, of practices and practicalities, but also of courts and cabals, of theatrical rivalries and of eighteenth-century society. It is also, of course, the story of some of the most remarkable music ever written, music that has been played and sung, and loved, in this country – and throughout the world – for three hundred years.

Publisher Description
Six Sonatas for Violin and Piano Pan Macmillan
"The result is a comprehensive and entertaining portrait of the developing character and career of Handel from his early years as a young man in Halle and Hamburg, through his apprenticeship in Italy, to the heyday of opera and oratorio in London. An important chapter, 'Handel and Posterity', traces the progress of the Handel legend down to our own time, and a chronological table by Anthony Hicks outlines major events in the composer's life and musical career. In this revised edition, Christopher Hogwood has added a detailed analysis of new insights in to Handel since first publication."--BOOK JACKET.
