Where does
business come
from? That's the
question every real
estate agent asks
but few have a
truthful answer for.
In an industry
constantly selling
the "easy button"
and overrun with
shiny widgets,
agents are pulled in
multiple directions
at once, each
promising that if
they "just do this,"
their dreams of
success and
fortune will come
true. After 20 years
in the business,
thousands of home
sales, and
hundreds of
thousands of
coaching calls, Tim
and Julie Harris tell

the hard truths about
what it really takes
to make it in real
estate. The new,
revised edition of
Harris Rules
outlines specific,
actionable, and
proven rules of
engagement that
any agent—rookie or
veteran—can count
on as they pursue
their real-estate
funded goals and
dreams. *Harris
Rules* lays the
groundwork,
beginning with how
agents need to think
about the business.
Moving them
forward with a step-
by-step action plan,
Tim and Julie show
agents how to
create longevity by
scaling the business
and then teach
them how to
monetize it. In this
book, you'll learn: -
How to control your

mindset to get more things done, even when you don't "feel" like it - The ideal schedule of a top-producing agent and how to focus it on what matters, profit - Why you can't rely on only one method of generating leads - How to use the proven Seven-Step Listing Process to win the listing virtually every time - How to really achieve financial freedom With all-new case studies, resources, and Q&As for the highly motivated agent, Harris Rules covers tricky topics with much-needed frankness: making a profit, why having a team isn't the "golden calf," gaining multiple lead sources (that

you don't have to pay for!), focusing on listings, and the fact that repetitious boredom does pay off. Tim and Julie will tell you the truth: Harris Rules is the savvy agent's all-inclusive, no-BS guide to succeed in real estate. 99 GMC Yukon Denali Haynes Manuals N.
