Follow two abolitionists who fought one of the most shockingly persistent evils of the world: human trafficking and sexual exploitation of slaves. Told in alternating chapters from perspectives spanning more than a century apart, read the riveting 19th century first-hand account of Harriet Jacobs and the modern-day eyewitness account of Timothy Ballard. Harriet Jacobs was an African-American, born into slavery in North Carolina in 1813. She thwarted the sexual advances of her master for years until she escaped and hid in the attic crawl space of her grandmother's house for seven years before escaping north to freedom. She published an autobiography of her life, *Incidents in the Life of a Slave Girl*, which was one of

the first open discussions about sexual abuse endured by slave women. She was an active abolitionist, associated with Frederick Douglass, and, during the Civil War, used her celebrity to raise money for black refugees. After the war, she worked to improve the conditions of newly-freed slaves. As a former Special Agent for the Department of Homeland Security who has seen the horrors and carnage of war, Timothy Ballard founded a modern-day "underground railroad" which has rescued hundreds of children from being fully enslaved, abused, or trafficked in third-world countries. His story includes the rescue and his eventual adoption of two young siblings--Mia and Marky, who were born in Haiti. Section 2 features the lives of five abolitionists, a mix of heroes from past to present, who call us to action and teach us life lessons based on their own experiences: Harriet Tubman--The "Conductor"; Abraham Lincoln--the "Great Emancipator"; Little Mia--the sister who saved her little brother; Guesno Mardy--the Haitian father who lost his son to slave traders; and Harriet Jacobs--a teacher for us all.

Science Focus Tyndale House Publishers, Inc. Forged by Twilight Paranormal Romance Love Awakens Their Royal Soul For weeks, Blane Pazu, aka the immortal demon king Pazuzu, experienced the increasing pull of his lifemate—he 'd felt her for years but suddenly it threatened to tear his insides apart. The timing couldn't have been worse; he needed to first find his lost amulet to break Lucifer 's curse on his kind and thereby save humanity... so he chose to ignore it. " This amulet chose you to form a mate-bond with the demon it belongs to. If you fail to find him, humanity will die. " Zara Santiago came to Sin City five years ago to hide from her past. She should 've known better than to allow the supposed witch, Madame Hilda, to spout out her fortune. For one, she didn 't believe in anything as frivolous as the mystique world, let alone demons or angels. Therefore, the amulet was set aside in her home and forgotten about... until it started to glow. The day the black-haired pixie arrived at his gym, Blane knew he was lost. How could he trust a stranger who was asking too many questions and knew exactly what his amulet looked like? Was the evil goddess behind her appearance...or Lucifer himself? Why then, knowing the danger of trusting her held for them all, was it possible that the feisty mortal with the huge blue eyes managed to unleash Blane 's darkest passion? A Guardian 's Spell had been cast but Blane was left wondering... who wielded the power? Him... or the mortal human? Editor 's note: Otherworldly creatures, curses, and pleasures. Guardian 's Spell will keep your eyes wide, your jaw hanging open, and your mind wondering just what doing THAT with a demon king with TWO would be like.

Omaha Impressions Studies on the Legend of the Holy GrailWhence the GoddessesGuardian's Spell The Bible in History. A study of the history, folklore, and occasionally even the mathematics underlying the Bible. A sort of dictionary of scholarly material you likely won 't find elsewhere. Dedicated to Elizabeth Rosenberg, Patricia Rosenberg, and Catie Jo Pidel. Please understand that this is not a Biblical commentary. Also, while I try very hard to avoid actual theological discussions, the work is very much based on "external evidence" -- the manuscripts of the Bible, the evidence of other historical records, the findings of science, the folklore about the Bible. Some of this can be offensive to some, particularly those who try to find exact literal truth in the Bible. I hope you will accept it (or else not read it :-) in that light. If you are still interested, there is a lot of historical background about the Bible here -- not always direct links to the Bible, but the context of the nations among whom the Israelites lived. There is no Biblical mention of (say) Nabopolassar of Babylon, but his actions would deeply influence Judean history. Knowing even a little of that history can help understand the Bible. Also, where there are variant readings in the manuscripts of the Hebrew Bible or the New Testament, I note it. This may mean that we are uncertain what the Bible says -- and hence what it means. I try either to recover the original meaning or, in some cases, to assess the meanings of both readings. And then there are the tidbits of science and folklore and anything else I can think of.... The result is a grab bag. Some parts may be useful, some may not. The idea is to browse and see what strikes your fancy. With luck, you'll understand more about the Bible after doing

so.

« The Centre for Irish and Celtic Studies at the University of Ulster hosted at Coleraine, between the 24th and 26th August 2000, a very successful and informative conference on ' Celtic Literatures in the Twentieth Century ' . The lectures and the discussions were of a high standard, and it was the intention of the organisers to edit and publish the proceedings as soon as possible thereafter. Unfortunately, due to difficulties in assembling some of the papers, this was not possible and, consequently, publication has been delayed much longer than was originally anticipated. Despite this delay, we feel that those papers which we have received merit publication at this time, not only because of their intrinsic merits, but also because they represent the views of the authors on their respective topics at the turn of the twenty first century and will hopefully be of value to those interested in the state of the modern Celtic literatures. »

Transactions of the Shropshire Archaeological and Natural History Society Archie Comic Publications (Trade)

The book, first published in 1988, examines the role of magic in Elizabethan and Shakespearean theatre. The author observes how certain plays, including Shakespeare's A Midsummer Night's Dream and The Tempest, rationalise the unrealism and improbabilities typical of romantic comedy as miracles wrought by specifically magical intervention. The author also explores the ways in which playwrights justify structural discontinuity by the working of magic. This title will be of interest to students of English Literature, Drama and Performance.

By the early middle ages vernacular aristocratic traditions of heroic narration were firmly established in Western and Northern Europe. Although there are regional, linguistic and formal differences, one can observe a number of similarities. Oral literature disseminates a range of themes that are shared by narratives in most parts of the continent. In all the European regions, this tradition of heroic narration came into contact with Christianity, which led to modifications. Similar processes of adaptation and transformation can be traced everywhere in this field of early European vernacular narrative. But with the increasing specialization of academic fields over the last half century, inter-disciplinary dialogue has

become increasingly difficult. The volume is a contribution to renew the inter-disciplinary dialogue about common themes, topics and motifs in Nordic, Roman, Anglo-Saxon and Germanic literature, and about the different methodologies to explore them.
