The volume explores late medieval market mechanisms and associated institutional, fiscal and monetary, organizational, decision-making, legal and ethical issues, as well as selected aspects of production, consumption and market integration. The essays span a variety of local, regional, and long-distance markets and networks.

*Symbol and Image in Celtic Religious Art* IDW Publishing

The book, first published in 1988, examines the role of magic in Elizabethan and Shakespearean theatre. The author observes how certain plays, including Shakespeare's A

**Midsummer Night's**

**Dream and The Tempest**, rationalise the unrealism and improbabilities typical of romantic comedy as miracles wrought by specifically magical intervention. The author also explores the ways in which playwrights justify structural discontinuity by the working of magic. This title will be of interest to students of English Literature, Drama and Performance.

**BRILL**

«The Centre for Irish and Celtic Studies at the University of Ulster hosted at Coleraine, between the 24th and 26th August 2000, a very successful and informative conference on 'Celtic Literatures in the Twentieth Century'. The lectures and the discussions were of a high standard, and it was the

---

intention of the organisers to edit and publish the proceedings as soon as possible thereafter.

Unfortunately, due to difficulties in assembling some of the papers, this was not possible and, consequently, publication has been delayed much longer than was originally anticipated. Despite this delay, we feel that those papers which we have received merit publication at this time, not only because of their intrinsic merits, but also because they represent the views of the authors on their respective topics at the turn of the twenty first century and will hopefully be of value to those interested in the state of the modern Celtic literatures.»

Science Focus Farcountry Press

The Science Focus Second Edition is the complete science package for the

teaching of the New South Wales Stage 4 and 5 Science Syllabus. The Science Focus Second Edition package retains the identified strengths of the highly successful First Edition and includes a number of new and exciting features, improvements and components. The innovative Teacher Edition with CD allows a teacher to approach the teaching and learning of Science with confidence as it includes pages from the student book with wrap around teacher notes including answers, hints, strategies and teaching and assessment advice.

For weeks, Blane Pazu, aka the immortal demon king Pazuzu, experienced the increasing pull of his lifemate— he'd felt her for years but suddenly it threatened to tear his insides apart. The timing couldn't have been worse; he needed to first find his lost amulet to break Lucifer's curse on his kind and thereby save humanity... so he chose to ignore it. "This amulet chose you to form a mate-bond with the demon it belongs to. If you fail to find him, humanity will die." Zara Santiago came to Sin City five years ago to hide from her past. She should've known better than to allow the supposed witch, Madame Hilda, to

---

spout out her fortune. For one, she didn't believe in anything as frivolous as the mystique world, let alone demons or angels. Therefore, the amulet was set aside in her home and forgotten about... until it started to glow. The day the black-haired pixie arrived at his gym, Blane knew he was lost. How could he trust a stranger who was asking too many questions and knew exactly what his amulet looked like? Was the evil goddess behind her appearance...or Lucifer himself? Why then, knowing the danger of trusting her held for them all, was it possible that the feisty mortal with the huge blue eyes managed to unleash Blane's darkest passion? A Guardian's Spell had been cast but Blane was left wondering... who wielded the power? Him... or the mortal human? Editor's note:

Otherworldly creatures, curses, and pleasures. Guardian's Spell will keep your eyes wide, your jaw hanging open, and your mind wondering just what doing THAT with a demon king with TWO would be like.

*Transformers: Classics Vol. 1* Routledge

By the early middle ages vernacular aristocratic traditions of heroic narration were firmly established in Western and Northern Europe. Although there are regional, linguistic and formal differences, one can observe a number of similarities. Oral literature disseminates a range of themes that are shared by narratives in most parts of the continent. In all the European regions, this tradition of heroic narration came into contact with Christianity, which led to modifications. Similar

---

processes of adaptation and transformation can be traced everywhere in this field of early European vernacular narrative. But with the increasing specialization of academic fields over the last half century, inter-disciplinary dialogue has become increasingly difficult. The volume is a contribution to renew the inter-disciplinary dialogue about common themes, topics and motifs in Nordic, Roman, Anglo-Saxon and Germanic literature, and about the different methodologies to explore them.

Wicked Words 3 Cengage Learning New York Times- bestselling author and cultural critic Chuck Klosterman sorts through the past decade and how we got to now. Chuck Klosterman has created an incomparable body of work in books, magazines, newspapers, and on the Web. His writing spans the realms of culture and sports, while also addressing interpersonal issues, social quandaries, and ethical boundaries. Klosterman has written nine previous books, helped found and establish Grantland, served as the New York Times Magazine Ethicist, worked on film and television productions, and contributed profiles

and essays to outlets such as GQ, Esquire, Billboard, The A.V. Club, and The Guardian. Chuck Klosterman's tenth book (aka Chuck Klosterman X) collects his most intriguing of those pieces, accompanied by fresh introductions and new footnotes throughout. Klosterman presents many of the articles in their original form, featuring previously unpublished passages and digressions. Subjects include Breaking Bad, Lou Reed, zombies, KISS, Jimmy Page, Stephen Malkmus, steroids, Mountain Dew, Chinese Democracy, The Beatles, Jonathan Franzen, Taylor Swift, Tim Tebow, Kobe Bryant, Usain Bolt, Eddie Van Halen, Charlie Brown, the Cleveland

---

Browns, and many more cultural figures and pop phenomena. This is a tour of the past decade from one of the sharpest and most prolific observers of our unusual times.

[Archie 3000](#) Robert B. Waltz

The Bible in History. A study of the history, folklore, and occasionally even the mathematics underlying the Bible. A sort of dictionary of scholarly material you likely won't find elsewhere. Dedicated to Elizabeth Rosenberg, Patricia Rosenberg, and Catie Jo Pidel. Please understand that this is not a Biblical commentary. Also, while I try very hard to avoid actual theological discussions, the work is very much based on "external evidence" -- the

manuscripts of the Bible, the evidence of other historical records, the findings of science, the folklore about the Bible. Some of this can be offensive to some, particularly those who try to find exact literal truth in the Bible. I hope you will accept it (or else not read it :-)) in that light. If you are still interested, there is a lot of historical background about the Bible here -- not always direct links to the Bible, but the context of the nations among whom the Israelites lived. There is no Biblical mention of (say) Nabopolassar of Babylon, but his actions would deeply influence Judean history. Knowing even a little of that history can help understand the Bible. Also, where there

---

are variant readings in the manuscripts of the Hebrew Bible or the New Testament, I note it. This may mean that we are uncertain what the Bible says -- and hence what it means. I try either to recover the original meaning or, in some cases, to assess the meanings of both readings. And then there are the tidbits of science and folklore and anything else I can think of.... The result is a grab bag. Some parts may be useful, some may not. The idea is to browse and see what strikes your fancy. With luck, you'll understand more about the Bible after doing so.

*Narration and Hero* Titan Books

Tales of the Elders of Ireland is the first complete translation of the late Middle-

Irish *Acallam na Sen rach*, the largest literary text surviving from twelfth-century Ireland. It contains the earliest and most comprehensive collection of Fenian stories and poetry, intermingling the contemporary Christian world of Saint Patrick with his scribes; clerics; occasional angels and souls rescued from Hell; the earlier pagan world of the ancient, giant Fenians and Irish kings; and the parallel, timeless Otherworld (peopled by ever-young, shape-shifting fairies). This readable, lucid new translation is based on existing manuscript sources and is richly annotated, complete with an Introduction discussing the place of the *Acallam* in Irish tradition and the impact of the Fenian or Ossianic tradition on English and European literature. About the Series: For over 100 years Oxford World's Classics has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment

---

to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.

Publications (Trade) Credit Analysis and Lending Management is a new Australasian text that focuses on the core lending functions of financial institutions, covering asset management, credit risk assessment and analysis, lending policy formulation and management, and the rise of new product development and marketing in the financial services sector. The value of any financial institution is measured by its ability to effectively manage and reduce its credit risk. This text details the structure of the credit organisation, including loan markets. Relevant financial statements are presented to develop students' interpretative and

analytical understanding of financial statements.

Features: \* Developments in loan marketing and new loan products are profiled and assessed (see chapter 17.) \* Problem loan management is discussed as a growing professional issue (see chapter 16). \* Detailed case studies at the end of the text present a diverse set of professional scenarios that can be used for assignment, assessment and group work activities. \* 'Industry insight' boxes profile current professional issues and identify industry developments. \* 'A day in the life of...' boxes highlight the diversity of professional roles in the banking industry.
