and figures. The program places your students at the center of scientific exploration, with all the wonder and excitement of discovery. The student-friendly text and a variety of Reading Strategies help students build their understanding and critical-thinking skills. Only from Glencoe! Foldables are unique, hands-on tools that help students create and interactive strategy for organizing what they read. As they work through each chapter, your students add more detail to their Foldables until they've created a comprehensive "snapshot" of important chapter concepts. A Study Guide at the end of each chapter reviews key concepts and vocabulary and suggests ways students can use their Foldables to study.
