John Wiley & Sons

The paperback edition of The Directory of Executive Recruiters is a quick but thorough reference for career changers and job-seekers to contact search firms that match their areas of expertise. Using the same database as the Corporate Edition above, it concentrates on North American firms. Internal information such as firm revenues, number of recruiters, etc., is not included. Introductory material helps guide job-seeker expectations with strategies for using recruiters as part of overall career management. "Anyone looking to turn headhunters' heads should have a copy of the Directory."

--William Flanagan, Senior Editor, Forbes

Longevity Risk and Retirement Income Planning John Wiley & Sons

Not everyone is cut out to be a professional accountant, but those who want to move up the corporate ladder know that they need to master the essentials of accounting. Understanding Business Accounting For Dummies, 2nd Edition makes truly light work of the financial fundamentals that many businesspeople try to bluff their way through every day. The book will show you how to evaluate profit margins, establish budgets, control profit and cash flow, stem losses, manage inventory, make wise financial decisions, survive an audit, and use the latest computer technology to help you manage the bottom line. This updated edition also includes the latest information on International Financial Reporting Standards, capital budgeting, and break even, plus new advice on how to find financial facts and read company accounts. New sections include links to a number of key business spreadsheets and a new chapter on financing your business.

Indicators and rankings are widely used by governments and organisations to assess the effectiveness, efficiency, and success of policy decisions. This book evaluates the creation of indicators, their impact on policy decisions, and the implications of their use.

Handbook of Governmental Accounting Irwin Professional Publishing

Great leaders are made, not born. Written by the authors of From Good Schools to Great Schools, this sequel shows how great school leaders can be developed and how leaders can acquire the powerful personal leadership characteristics that the best administrators use to lead their schools to greatness. Based on sound strategies and the work of Jim Collins, Gray and Streshly tackle how to build relationships, communicate effectively, exercise your personal will with humility, face brutal facts, get faculty on board, and build a school culture of self-discipline. Chapters include: - Case studies that provide an ongoing context for professional learning - Self-assessments that reveal your inherent leadership dispositions - Interviews and tips from exceptional headteachers in the field - Strategies for developing specific leadership qualities - Application exercises that reinforce how to put the strategies into action - Reflection activities that encourage professional growth Appropriate for both individual and group professional development, Leading Good Schools to Greatness reveals how leadership skills can be learned and used to take your school to the next level.

A Basic Guide to Exporting John Wiley & Sons

Demystifying a growing and dynamic field, Handbook of Governmental Accounting reflects the increasing complexity of this area, enabling readers to grasp the intricate accounting that is involved as government expenditures multiply and governments engage in progressively complex transactions. Drawing on the expertise of a distinguished group of contributors, the book begins with a discussion of the growth of generally accepted accounting principles (GAAP), providing a historical perspective which highlights the greater levels of accountability in government finance. It covers governmental funds, proprietary funds, and fiduciary funds. It also reviews governmental financial reporting and examines the process of auditing governmental entities. While the majority of the chapters relate to state and local governments in the United States, the book also provides insight into federal accounting and international public sector accounting standards. Presenting numerous useful charts and sample budget outlines, this book provides concrete guidance in an area that has increased in complexity as governmental accountability takes on a heightened priority.

Bookkeeping for Small Business Part 1 CFA Institute Research Foundation

The approach used by Hoyle, Schaefer, and Douppnik in the new edition allows students to think critically about accounting, just as they will do while preparing for the CPA exam and in their future careers. With this text, students gain a well-balanced appreciation of the Accounting profession. As Hoyle 12e introduces them to the field's many aspects, it often focuses on past controversies and present resolutions. The text continues to show the development of financial reporting as a product of intense and considered debate that continues today and into the future. The writing style of the eleven previous editions has been highly praised. Students easily comprehend chapter concepts because of the conversational tone used throughout the book. The authors have made every effort to ensure that the writing style remains engaging, lively, and

consistent which has made this text the market leading text in the Advanced Accounting market. The 12th edition includes an increased integration of IFRS as well as updated accounting standards.

Governance by Indicators Simon and Schuster

Lo/Fisher is praised for its readability and conversational writing style that helps students better understand difficult concepts in Accounting. Lo/Fisher presents the how and why of reporting accounting information from within an easily-understood theoretical framework. Lo/Fisher has a clean layout that engages the reader with a clear writing style using plain English. This text is built on the current International Financial Reporting Standards (IFRS) and incorporates Accounting Standards for Private Enterprise (ASPE) where appropriate. Our philosophy is that when students understand the current standards, they will be able to analyze and interpret changes in the future.
