March 2020 marks the 42nd anniversary of that first transmission – 42 being the answer, of course, to the Ultimate Question of Life, the Universe, and Everything. To mark the occasion, Pan Macmillan are bringing back into print The Hitchhiker's Guide to the Galaxy: The Original Radio Scripts with an introduction from Simon Jones. The collection also includes the previously 'lost' Hitchhiker script from the 25th anniversary edition, 'Sheila's Ear' and the original introductions by producer Geoffrey Perkins and Douglas Adams. This collection, which is a faithful reproduction of the text as it was first published in 1985, features all twelve original radio scripts – Hitchhiker as it was written and exactly as it was broadcast for the very first time. They include amendments and additions made during recordings and original notes on the writing and producing of the series by Douglas Adams and Geoffrey Perkins. For those who have always loved Douglas Adams, as well as for his new generation of fans, these scripts are essential reading and a must-have piece of Adams memorabilia. This special anniversary edition will accompany reissued eye-catching editions of the five individual Hitchhiker books coming in March 2020: The Hitchhiker's Guide to the Galaxy, The Restaurant at the End of the Universe, Life, the Universe and Everything, So Long, and Thanks for All the Fish and Mostly Harmless.

You'll learn a new and inspiring perspective through unforgettably entertaining stories, like what I learned the day my shrink fired me, how I negotiated for a toilet seat on the corporate jet, and how I got called out by my masseuse.3) You'll become empowered, whether you're the mail clerk or CEO or you fall somewhere in between. This book has been endorsed by 5 senior executive leaders of Fortune 1000 companies and 3 mail clerks.4) You'll discover a return on your investment to earn a car. Invest a few dollars and a little bit of time to read this book, and you'll pick up career development tips that can save you enough to earn a car (page 9).5) You'll have a "Personal Career Counselor in Your Pocket." It's useful and practical with vivid case studies for how to negotiate with the boss to help pay for your MBA or support a relocation to the city of your dreams. You'll also learn how to deal with an unreasonable boss and even say "No" without getting fired.
