Fiasco, Thomas E. Ricks' s #1 New York Times bestseller, transformed the political dialogue on the war in Iraq—The Gamble is the next news breaking installment Thomas E. Ricks uses hundreds of hours of exclusive interviews with top officers in Iraq and extraordinary on-the-ground reportage to document the inside story of the Iraq War since late 2005 as only he can, examining the events that took place as the military was forced to reckon with itself, the surge was launched, and a very different war began. Since early 2007 a new military order has directed American strategy. Some top U.S.

officials now in Iraq actually opposed the 2003 invasion, and almost all are severely critical of how the war was fought from then through 2006. At the core of the story is General David Petraeus, a military intellectual who has gathered around him an unprecedented number of officers with both combat experience and Ph.D.s. Underscoring his new and unorthodox approach, three of his key advisers are quirky foreigners—an Australian infantryman-turned- anthropologist, an antimilitary British woman who is an expert in the Middle East, and a Mennonite-educated Palestinian pacifist. The Gamble offers news-breaking account, revealing behind-the-scenes disagreements between top commanders. We learn that almost every single officer in the chain of command fought the surge. Many of Petraeus' s closest advisers went to Iraq extremely pessimistic, doubting that the surge would have any effect, and his own boss was so skeptical that he dispatched an admiral to Baghdad in the summer of 2007 to come up with a strategy to replace Petraeus' s. That same boss later flew to Iraq to try to talk Petraeus out of his planned congressional testimony. The Gamble examines the congressional hearings through the eyes of Petraeus and Ambassador Ryan Crocker, and their views of the questions posed by the 2008 presidential candidates. For Petraeus, prevailing in Iraq means extending the war. Thomas E. Ricks concludes that the war is likely to last another five to ten years—and that that outcome is a best case scenario. His stunning conclusion, stated in the last line of the book, is that “ the events for which the Iraq war will be remembered by us and by the world have not yet happened. ”

### Returning Home from Iraq and Afghanistan SAGE

This book provides an overview of the state of the art in research on and treatment of gambling disorder. As a behavioral addiction, gambling disorder is of increasing relevance to the field of mental health. Research conducted in the last decade has yielded valuable new insights into the characteristics and etiology of gambling disorder, as

well as effective treatment strategies. The different chapters of this book present detailed information on the general concept of addiction as applied to gambling, the clinical characteristics, epidemiology and comorbidities of gambling disorder, as well as typical cognitive distortions found in patients with gambling disorder. In addition, the book includes chapters discussing animal models and the genetic and neurobiological underpinnings of the disorder. Further, it is examining treatment options including pharmacological and psychological intervention methods, as well as innovative new treatment approaches. The book also discusses relevant similarities to and differences with substance-related disorders and other behavioral addictions. Lastly, it examines gambling behavior from a cultural perspective, considers possible prevention strategies and outlines future perspectives in the field.

### This Side of Murder Penguin

Teaching at Its Best This third edition of the best-selling handbook offers faculty at all levels an essential toolbox of hundreds of practical teaching techniques, formats, classroom activities, and exercises, all of which can be implemented immediately. This thoroughly revised edition includes the newest portrait of the Millennial student; current research from cognitive psychology; a focus on outcomes maps; the latest legal options on copyright issues; and how to best use new technology including wikis, blogs, podcasts, vodcasts, and clickers. Entirely new chapters include subjects such as matching teaching methods with learning outcomes, inquiry-guided learning, and using visuals to teach, and new sections address Felder and Silverman's Index of Learning Styles, SCALE-UP classrooms, multiple true-false test items, and much more. Praise for the Third Edition of Teaching at Its Best Everyone veterans as well as novices will profit from

reading *Teaching at Its Best*, for it provides both theory and practical suggestions for handling all of the problems one encounters in teaching classes varying in size, ability, and motivation." Wilbert McKeachie, Department of Psychology, University of Michigan, and coauthor, *McKeachie's Teaching Tips* This new edition of Dr. Nilson's book, with its completely updated material and several new topics, is an even more powerful collection of ideas and tools than the last. What a great resource, especially for beginning teachers but also for us veterans!" L. Dee Fink, author, *Creating Significant Learning Experiences* This third edition of *Teaching at Its Best* is successful at weaving the latest research on teaching and learning into what was already a thorough exploration of each topic. New information on how we learn, how students develop, and innovations in instructional strategies complement the solid foundation established in the first two editions." Marilla D. Svinicki, Department of Psychology, The University of Texas, Austin, and coauthor, *McKeachie's Teaching Tips*

**Death Takes Priority** Cambridge University Press  
In 1932, Governor Franklin D. Roosevelt finds himself the target of assassination threats because of his stand on Prohibition and turns to his old friend "Blackjack" Endicott to take on the mob. Reprint. Ontario's Health System Sourcebooks, Inc.

*Sugar Rush* by Rachel Astor: There's nothing quite like your first bite. Dulcie Carter has been running her family's homemade sweet shop, Candy Land Confections, on her own since her mom passed away. But business is slow and rent is high, so Dulcie knows if she wants to keep her mom's dream alive, she'll need a miracle. The annual Assembly of Chocolatiers competition might be just the thing, if she can bring herself to try creating something new for the first time in a long time. Then she meets Nick, a molten-hot guy with a sexy smirk and an attraction stronger than any sugar rush, whose family also happens to own the big-box candy shop in town—her strongest competition for first prize. Nick's got his own reasons for needing the win, but then being around Dulcie is proving addictive. As their competition heats up, so do the sparks between them. Can they keep their sights on winning, when love might be the sweetest prize of all?

**Other Voices, Other Views** Penguin

Nearly 1.9 million U.S. troops have been deployed to Afghanistan and Iraq since October 2001. Many service members and veterans face serious challenges in readjusting to normal life after returning home. This initial book presents findings on the most critical challenges, and lays out the blueprint for the second

phase of the study to determine how best to meet the needs of returning troops and their families.

**The Mushroom at the End of the World** SAGE Publications

A bold new author has crafted a Regency tale rife with romantic tension. Escaping an evil guardian and a murder charge, a golden-curled beauty hides in a rubbish heap, clad only in a nightgown. She is rescued and cared for by a devastatingly gorgeous viscount.

**On Liberty** North Atlantic Books

From bestselling author Gabor Maté, the essential resource for understanding the roots and behaviors of addiction--now with an added introduction by the author. Based on Gabor Maté's two decades of experience as a medical doctor and his groundbreaking work with the severely addicted on Vancouver's skid row, *In the Realm of Hungry Ghosts* radically reenvision this much misunderstood field by taking a holistic approach. Dr. Maté presents addiction not as a discrete phenomenon confined to an unfortunate or weak-willed few, but as a continuum that runs throughout (and perhaps underpins) our society; not a medical "condition" distinct from the lives it affects, rather the result of a complex interplay among personal history, emotional, and neurological development, brain chemistry, and the drugs (and behaviors) of addiction. Simplifying a wide array of brain and addiction research findings from around the globe, the book avoids glib self-help remedies, instead promoting a thorough and compassionate self-understanding as the first key to healing and wellness. *In the Realm of Hungry Ghosts* argues persuasively against contemporary health, social, and criminal justice policies toward addiction and those impacted by it. The mix of personal stories—including the author's candid discussion of his own "high-status" addictive tendencies—and science with positive solutions makes the book equally useful for lay readers and professionals.

**I Love You S'more** Independently Published

Thomas E. Rick's news-breaking follow up to the #1 New York Times bestseller *Fiasco* Now updated to fully document the inside story of the Iraq war since late 2005, *The Gamble* is the definitive account of the insurgency within the U.S. military that led to a radical shift in America's strategy.

Based on unprecedented real-time access to the military's entire chain of command, Ricks examines the events that took place as the military was forced to reckon with itself, the surge was launched, and a very different war began. His stunning conclusion, stated in the last line of the book, is that "the events for which the Iraq war will be remembered probably have not yet happened."

**Teaching at Its Best** Routledge

Introducing a murder mystery that really delivers! After caring for her dying aunt and being dumped by her fiancé, Cassie Miller decides to return to her small hometown in the Berkshires to lick her wounds and live in the house where she was raised. Leaving behind her managerial position in the Boston main postal office, Cassie trades in her tailored suits and high heels for the comfortable blue shirt and red, white, and blue striped scarf of the Postmaster for North Ashcot, Massachusetts. Everything is business as usual until Cassie arrives at work one day to find that someone has broken into the post office building. The only items stolen: stacks of telephone books. Who steals phone books? Two days later, the body of an unidentified man is found in the woods. And when the handsome antiques dealer she just had lunch with is taken into custody, Cassie is suddenly drawn into the case. With a crime enveloped in mystery, she needs to track the killer—before another victim's fate is sealed in the dead letter office...

*Sugar Rush* DIANE Publishing

In Niagara of the 1960s, a mysterious proxy bride arrives from Italy to marry a candy shop owner with crime connections, only to fall in love with her proxy husband's teenaged son. Part fairy tale, part gritty realism, *The Proxy Bride* explores the underbelly of a southern Ontario community steeped in gambling, smuggling and pornography. Terri Favro's *The Proxy Bride* is a brilliantly constructed tale of innocence versus wickedness.

**The President's Man** John Wiley & Sons

Freshly divorced and worn out from years of single-handedly running her marketing company, Samantha Slater couldn't be more excited to drag her moody teenage son to a parent-and-kid weekend at Palmetto

Pines Campground. The camp is a little more run-down than it had been twenty years ago, when she spent those happy summers between college as a camp counselor, but it still brings back memories of the best time in her life. And it's about to bring back a whole lot more than memories, she realizes when she finds that one of the parents attending is none other than her former camp flame, Julian Wells. Julian has spent the last two decades on the road as a wilderness survival expert, never settling in one place for long. But seeing Samantha again makes him wonder if he's been searching for something all along - for the intense connection they had together. With his own moody teenage son in tow, Julian is actually here for a fresh start. He might be ready to settle down near his son, and near the only place that ever really felt like home: Palmetto Pines. But his abrupt departure all those years ago weighs heavily on both of them. Can he convince her that this time, summer camp doesn't have to end?

Fiasco Entangled: Bliss

Finalist for the Pulitzer Prize • One of the Washington Post Book World's 10 Best Books of the Year • Time's 10 Best Books of the Year • USA Today's Nonfiction Book of the Year • A New York Times Notable Book "Staggeringly vivid and persuasive . . . absolutely essential reading." —Michiko Kakutani, The New York Times "The best account yet of the entire war." —Vanity Fair The definitive account of the American military's tragic experience in Iraq Fiasco is a masterful reckoning with the planning and execution of the American military invasion and occupation of Iraq through mid-2006, now with a postscript on recent developments. Ricks draws on the exclusive cooperation of an extraordinary number of American personnel, including more than one hundred senior officers, and access to more than 30,000 pages of official documents, many of them never before made public. Tragically, it is an undeniable account—explosive, shocking, and authoritative—of unsurpassed tactical success combined with unsurpassed strategic failure that indicts some of America's most powerful and honored civilian and

military leaders.

In the Realm of Hungry Ghosts National Academies Press To what extent do economic stresses - such as dual-earner parents, unemployment//underemployment and poverty in the family - affect a social worker's assessment of the families in their care? Families, Work, and Poverty applies a wealth of current research driven by the family systems theoretical framework to social work practice with families in three specific areas: employed-work and family- work; unemployment; and poverty. The book presents chapters on the theory and research in these three target areas, each followed by a chapter on applications and tools for direct practice in that area. Each applications chapter includes a case study, assessment tools, multilevel interventions and evaluations, and strategies for social

Program Evaluation Theory and Practice, First Edition University of Delaware Press

"The debate over canon represented by this book is implicit in the broad range of its contents. As a whole, it argues for expansion: the inclusion of other voices to augment the standard university syllabus for the early modern period, urging recognition of the period's diversity and reforming the conditions under which we pass judgment on its culture." "Each of these essays reveals the literary potential of works that have been considered inferior and inappropriate for serious study. While such individual discovery is certainly valuable, what is even more interesting is their significance as a group. All the essays contained here are engaged in opening texts up to different perspectives, creating a canon that speaks of diversity rather than uniformity."--BOOK JACKET. Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

Census of the City of Charleston, South Carolina Quattro Books

This engaging text takes an evenhanded approach to major theoretical paradigms in evaluation and builds a bridge from them to evaluation practice. Featuring helpful checklists, procedural steps, provocative questions that invite readers to explore their own theoretical assumptions, and practical exercises, the book provides concrete guidance for conducting

large- and small-scale evaluations. Numerous sample studies—many with reflective commentary from the evaluators—reveal the process through which an evaluator incorporates a paradigm into an actual research project. The book shows how theory informs methodological choices (the specifics of planning, implementing, and using evaluations). It offers balanced coverage of quantitative, qualitative, and mixed methods approaches. Useful pedagogical features include: \*Examples of large- and small-scale evaluations from multiple disciplines.

\*Beginning-of-chapter reflection questions that set the stage for the material covered. \*"Extending your thinking" questions and practical activities that help readers apply particular theoretical paradigms in their own evaluation projects. \*Relevant Web links, including pathways to more details about sampling, data collection, and analysis. \*Boxes offering a closer look at key evaluation concepts and additional studies. \*Checklists for readers to determine if they have followed recommended practice.

Seducing the Bride Penguin

By using a research-driven model, discussing compelling cases from leading companies, and presenting seven actionable ideas to make progress, the book blends scholarly research and actionable strategies to empower readers to decide what issues to focus on and in what direction to lead.
