RAGE 2: Strategy Guide & Walkthrough - GameWith

In a handicap game, Black starts with two or more handicap stones played before White's first move. If played in the traditional places on the "star points", these stones will be useful for the purpose of connection and separation of stones played closer to the edge ("lower"), as well as in many other ways.

The RPG genre is our favorite when it comes to game guides and maps, but we also make walkthroughs for strategy games, adventure games, action-RPG games, MMO games and others. We do our best to make the lives of virtual adventurers easier by creating detailed game maps of game worlds, describing points of interest (POIs), locations, NPCs, secrets, quest starters and enemies.
