Verse work on diagnosis and treatment of diseases according to the ayurvedic system in Indic medicine.

Vayam Rakshamah - (???) Penguin UK

Winners don't do different things, they do things differently. A practical, common-sense guide that will lead you from ancient wisdom to modern-day thinking, *You Can Win* will help you to establish new goals, develop a renewed sense of purpose, and generate fresh and exciting ideas about yourself and your future. Shiv Khera guarantees, as the title suggests, a lifetime of success. The book enables you to translate positive thinking into attitude, ambition and action, all of which combine to give you the winning edge. This book will help you to:

- Build confidence by mastering the seven steps to positive thinking;
- Be successful by turning weaknesses into strengths;
- Gain credibility by doing the right things for the right reasons;
- Take charge by controlling things instead of letting them control you;
- Build trust by developing mutual respect with the people around you; and
- Accomplish more by removing the barriers to effectiveness.

Why I am an Atheist and Other Works HarperCollins

There are numerous books available in the market on the subject of Share Market. However, in this book, the author attempts to elucidate the complicated aspects of financial domain in a clear and simple manner. The modus operandi of the share market, commodity market, mutual funds and idiomatic language used in the market are explained with illustrations. The author presents her suggestions for selection of a good broker. Explanations on the factors impacting the market, references to historical crashes of the market, asset allocation and discussions on popular methods of investment for the benefit of readers are the special features of the book. This would work as a great guide not only for beginner investors but also for students of degree courses, academic certifications and professional examinations.

Gandhi and Godse Bloomsbury Publishing

In the year 1965, Sonia Maino, a 19-year-old Italian student met a young Indian boy, Rajiv Gandhi, while they were both studying in Cambridge. She was born into a modest family in suburban Turin, where her father was a strict man who kept a close eye on his three daughters. Much to his chagrin, his painfully-shy middle daughter, of whom he was especially protective, fell in love with a man belonging to the most powerful family in India. This marked the beginning of a story unlike any other - of a carefree Italian girl who was compelled to take on the murky world of rajneeti. With information sourced from close friends and colleagues, this book examines how Sonia's courage, honesty and dedication have made her a leader in the eyes of one-sixth of humanity. From her idyllic childhood to her passionate love affair and from her days as a docile daughter-in-law to her current status of being the only Indian politician to have refused prime ministership.

Gandhi in India, in His Own Words Sristhi Publishers & Distributors

A discussion with a friend soon turned into a matter of self-assessment, leading to this discourse on why Bhagat Singh chose to be an atheist. Even in the face of death at a very young age, with uncanny observations and sharp questions, he forces us to re-think our foundations to faith in god.

Why I Killed the Mahatma AMACOM

Bana is among the three most important prose writers in classical Sanskrit, all of whom lived in the late sixth and early seventh centuries AD. It is clear, from his writings, that his mind was amazingly modern, humane and sensitive, especially for the seventh-century India in which he lived. Bana had a healthy irreverence towards many of the established orthodoxies of his time and his strength lies in his skill as a storyteller and as a creator of characters vibrant with life and individuality. Kadambari is a lyrical prose romance that narrates the love story of Kadambari, a Gandharva princess, and Chandrapida, a prince who is eventually revealed to be the moon god. Acclaimed as a great literary work, it is replete with eloquent descriptions of palaces, forests, mountains, gardens, sunrises and sunsets and love in separation and fulfillment. Featuring an intriguing parrot-narrator, the story progresses as a delightful romantic thriller played out in the magical realms between this world and the other, in which the earthly and the divine blend in idyllic splendour.

A novel by American author Jack London, 'White Fang' was first published in Outing magazine in 1906. Much of White Fang is written from the viewpoint of the titular canine character, enabling London to explore how animals view their world and how they view humans. White Fang examines the violent world of wild animals and the equally violent world of humans. The book also explores complex themes including morality and redemption.

White Fang Diamond Pocket Books Pvt Ltd

BHAGAT SINGH (1907-1931) lived at a time when India's freedom struggle was beginning to flag and when Mahatma Gandhi's non-violent, passive resistance to partial liberation was beginning to test the patience of the people. The youth of India was inspired by Bhagat Singh's call to arms and enthused by the defiance and dare-devilry of the army wing of the Hindustan Socialist Republican Association to which he and his comrades, Sukhdev and Rajguru, belonged. His call, Inquilab Zindabad! became the war-cry of the fight for freedom. When Bhagat Singh was executed by the British after a sham trial for his involvement in the Lahore Conspiracy Case at the age of twenty-three, he was glorified by the Indians as a martyr - for his youth, his heroism, and his steadfast courage in the face of certain death. It was only many years later - after Independence in 1947 - that his jail writings came to light. Today, it is these works that set Bhagat Singh apart from the many revolutionaries who laid down their lives for India. They reveal him as not just a passionate freedom-fighter who believed in the cult of the bomb but a widely-read intellectual inspired by the writings of, among others, Marx, Lenin, Bertrand Russell and Victor Hugo; a revolutionary whose vision did not end with the ouster of the British, but who looked further, towards a secular, socialist India. In this book, commemorating the hundredth birth anniversary of this iconic young man, Kuldip Nayar takes a close look at the man behind the martyr: his beliefs, his intellectual leanings, his dreams and his despair. The book explains for the first time why Hans Raj Vohra turned approver and betrayed Bhagat Singh, and throws new light on Sukhdev, whose loyalties have been questioned by some historians. But most of all it puts in perspective Bhagat Singh's use of violence, so strongly condemned by Gandhi and many others as being extremist. Bhagat Singh's intent was never to kill the largest number or strike terror in the hearts of the British through the gruesomeness of his attacks; his fearlessness was not fuelled by the empty bravura of guns and youth. It was held together by the wisdom of his reading and the strength of his beliefs.

The Power of a Positive Attitude Virago Press

While the nation was celebrating Independence from British Rule and singing all praises for the 'Father of The Nation' - Mahatma Gandhi, the news of his assassination came as a shock. He was shot in the chest three times while he was walking towards the prayer grounds at the Birla House, New Delhi. The man behind the

assassination - Nathuram Godse was a well known nationalist. He was arrested at the crime scene and sentenced to death after a year long trial. The book contains the final speech given by Godse in the court, mentioning the reason behind the drastic step he took.

May it Please Your Honour Prabhat Prakashan

The glorious tales of brave Indic resistance to invaders are still not fully known to us. This book contains 52 stories of valour, a tribute to these unsung warriors, both men and women from the last 1300 years.

A Dramatized Biography of Sonia Gandhi Diamond Books

It is common knowledge that Mahatma Gandhi was shot dead in 1948 by a Hindu militant, shortly after India had both gained her independence and lost nearly a quarter of her territory to the new state of Pakistan. Lesser known is assassin Nathuram Godse's motive. Until now, no publication has dealt with this question, except for the naked text of Godse's own defence speech during his trial. It didn't save him from the hangman, but still contains substantive arguments against the facile glorification of the Mahatma. Dr Koenraad Elst compares Godse's case against Gandhi with criticisms voiced in wider circles, and with historical data known at the time or brought to light since. While the Mahatma was extolled by the Hindu masses, political leaders of divergent persuasions who had had dealings with him were less enthusiastic. Their sobering views would have become the received wisdom about the Mahatma if he hadn't been martyred. Yet, the author also presents some new considerations in Gandhi's defence from unexpected quarters.

A Review and a Critique I K International Pvt Limited

Operation Blue Star Is One Of The Most Controversial, Hotly-Debated Military Operations In The World And A Turning Point In Contemporary Indian History. This Is An Account By The Army Officer Who Led It -- Touchingly Honest, Often Anguished, Minutely Detailed. It Hides Nothing -- Not The Unexpected Reverses Suffered By The Army, Nor Its Miscalculations, Nor The Grit And Determination Of The Militants It Was Assigned To Flush Out.

Why I Assassinated Mahatma Gandhi? Sristhi Publishers & Distributors

Together in one place, the most important works of Bhagat Singh, the Indian communist revolutionary who was executed by the British colonizers in 1931 at the age of 23. This uncompromising fighter for an end of "exploitation of man by man and nations by nations" remains a revered hero of oppressed people around the world today.

A pivotal figure in India's independence movement, the country's first Prime Minister, and an active politician for most of his life, Jawaharlal Nehru was also a renowned writer and scholar. Nehru's India brings together twenty-one representative speeches from Jawaharlal Nehru's 'Prime Ministerial years'. Through these speeches, selected and introduced by Mushirul Hasan, we get to see the development of Nehru's vision for free India and the actual process of transforming the blueprint into reality. They are an early articulation of government position and policies vis-a-vis infrastructural development, the roles

---

of government and business, the differing requirements of communities and languages, and the inseparability of science and ethics. While some often reflect the opposition and struggle Nehru faced in the implementation of these policies, others help reveal the person behind the politician and administrator. Mushirul Hasan's delightful introduction cleverly knits the selections together. *Gandhi's Assassin* *Mai ne Gandhi kadha kyo kiy* *Why I Killed Gandhi*  
Beginning where the autobiography left off, Green has selected letters, essays, interviews, and speeches that offer a complete self-narration of Gandhi's life from 1920 to 1948.
