This manual describes the physical, mechanical, and electrical characteristics and the installation requirements for the 400 Series (GPS 400, GNC 420, and GNS 430) Panel-mounted units. After installation of the 400 Series system, FAA Form 337 must be completed by an appropriately certificated agency to return the aircraft to service.

The GNS 430 will be secured in the installation rack with the proper wiring connections performed. Have your dealer answer any questions you may have about the installation—such as

location of antennas or any connections to other equipment in the panel. Unless otherwise specified within this manual, the term "GNS 430" applies to both the GNS 430 and the GNS 430A models.
