What would you do if the key to transforming your life once and for all lied in this book? What if the words in this book could provide a key to answering all your questions about love, happiness, health and wealth? What if you are one of the only few who will ever find the ultimate answer to everything you have questioned about life, I mean; finding the gate to real life? Well...I have an answer to all the questions above and the answer is this: I don't know who you are, or where you live in this beautiful planet called earth; but I speak to you only as I was being told and led by the Holy Spirit. It is not by mistake that you have these writings in your possession, and also; it is not by coincidence that you are facing the trials you are facing today! If I were you, I would rejoice in those trials for my 'Prophetic Destiny' is about to be discovered. And when you discover your prophetic destiny, make sure you take action by ignoring every obstacle which attempts to hinder you from fulfilling it by simply following the instructions within this book and many others which serve the purpose of glorifying the Lord Jesus Christ! You might not understand what I mean by 'Prophetic Destiny', but I can assure you that once you start reading this book, you will be well on your way to discovering your true sense of purpose in this life. You are not living the life you are supposed to be living and deep down you know it! Let me help you...that is all I ask from you! You have tried everything but nothing seems to be working - THIS IS WHAT YOU NEED TO TRANSFORM YOUR LIFE ONCE AND FOR ALL! DID YOU KNOW THAT NOT A SINGLE PENNY OR CENT IS SUPPOSED TO BE SPENT ON MEDICATION WITH THE AIM OF HEALING THE SICK? BUT THIS IS WHAT IS HAPPENING IN THIS WORLD WE LIVE IN: According to my research: "The United States spends more on health care than any other country in the world, and a large share of that spending comes from the federal government. In 2017, the United States spent about \$3.5 trillion or 18 percent of GDP, on health expenditures - more

than twice the average among developed countries. Of that \$3.5 trillion, \$1.5 trillion is directly or indirectly financed by the federal government. In other words, the federal government dedicates resources of nearly 8 percent of the economy toward health care. By 2028, it is estimated that these costs will rise to \$2.9 trillion, or 9.7 percent of the economy. Over time, these costs will continue to grow and consume an increasing share of federal resources."-----

-----According to HIV.gov: "In 2017, there were approximately 36.9 million people worldwide living with HIV/AIDS. 1.8 million of these were children less than fifteen years old. In 2017, 21.7 million people living with HIV (59%) were accessing antiretroviral therapy (ART) globally, an increase of 2.3 million since 2016 and up from 8 million in 2010. HIV treatment access is key to the global effort to end AIDS as a public health threat."-----

-----WHY IS THIS HAPPENING WHEN THERE IS CURE FOR EVERY DISEASE? YES, I SAID THERE IS CURE FOR EVERY DISEASE, INCLUDING HIV! EVERY DISEASE IS CURABLE WITHOUT THIS WORLD'S SO-CALLED 'MEDICATION'! ARE YOU HEARING ME? IT ALL HAS EVERYTHING TO DO WITH YOU, YOUR HEALTH - YOUR REAL COMPLETE HEALTH, WHICH IS REAL LIFE! NO MONEY IS SUPPOSED TO BE SPENT ON MEDICATION FOR HEALING PURPOSES!!!
