Activate! B1 Workbook with Key for Pack National Geographic Society

Helps students prepare and practise for their school-leaving exams and equips them with lifelong learning and study skills. Taking an inductive approach to Grammar, this title revises and extends the students' knowledge of

grammar and vocabulary through varied skills-based activities that recycle, revise, evaluate and develop language skills.

Gateway. B1 : Workbook Longman

The Student's Book contains: Ten units: Nine topic-based units divided into eight main teaching lessons, plus video, project, independent learning, wordlist and unit check. The tenth review unit provides revision of language and skills in exam task format. In A1 to B1+, a starter unit reviews language students should be familiar with before starting that level.

Training and practice for the exam is seamlessly integrated into every lesson. Exam-like tasks are marked with an icon for ease of identification.

Additional examples of vocabulary sets in the back of the book from A2. Students explore topics, collaborate and present back to the class in the end of unit projects.

Independent learning sections (from A2) help them become more successful learners.

Detailed grammar and language explanations, plus a full page of practice activities for every unit.

Exam-related help and useful language for productive tasks
