Verizon FiOS Quantum Gateway User Guide - FCC ID

The gateway lets you directly monitor and control your home over the web. Unlike many smart home hubs and connected IoT devices on the market, your data is not stored or processed in the cloud. It stays in your home on the gateway. The gateway can often bypass the need for you to purchase an IoT hub for each brand, and instead of downloading a different app for each brand, you can manage everything from one place, using any web browser.
