Book review:

'Gateway to Freedom,' by Eric Foner - The ...

Gateway to Freedom liberates the history of the underground railroad from the twin plagues of mythology and cynicism. The big picture is here, along with telling details from previously untapped sources.

Gateway to Freedom: The Hidden History of the Underground ...

By Eric Foner. , On September 4, 1838, a twenty-year-old fugitive slave named Frederick Bailey arrived in New York City. He had long hoped to

escape from bondage, gazing out at the ships on Maryland ' s Chesapeake Bay as a child and seeing them as " freedom ' s swift-winged angels. " . He secretly taught himself to read and write, understanding, he later wrote, that knowledge was " the pathway from slavery to freedom. " .

Gateway to Freedom 3-Day Intensive Workshop

The Underground Railroad was credited by

contemporaries with successfully directing thousands of fugitive slaves to freedom in the North (abolitionists) or illegally subverting federal and state laws to destroy a specific region and culture (southern slave owners).

The Underground Railroad figured prominently in the politics of slavery and freedom in antebellum America. Yet it has confounded modern historians, who have tended either to exaggerate its scope or...
Gateway to Freedom: The Hidden History of the Underground ...
This is the problem Eric Foner faced in writing "Gateway to Freedom," his new history of the Underground Railroad. Foner focuses on the route Philadelphia-New York City-upstate New York/Canada, used by slaves fleeing from western Maryland, northern Virginia (now West Virginia), and the Delmarva peninsula (Delaware then being a

slave state).

Gateway to Freedom is a
beautiful monument paying
tribute to Detroit's role in
the Underground Railroad.
This large statue is located
right at the edge of Hart
Plaza along the Detroit
River, right across from
Canada where the slaves
depicted in the statue are
looking hopefully for
freedom.

Gateway to Freedom is primarily a study of fugitive slaves and the Underground Railroad in New York City, although other parts of the northeastern network of the Underground Railroad are discussed. In addition to chronicling the function and challenges of the Underground Railroad, Foner puts it in the context of the larger abolition movement. Gateway to Freedom | The UCSB Current

Gateway to Freedom is a
2015 non-fiction book by
the American author and
historian Eric Foner.

According to its title, the book tells The Hidden History of the Underground Railroad. It does so by highlighting the efforts of less well-known freedmen and abolitionists in securing fugitive slaves' safe passage to Canada, as well as the dire penalties inflicted on them by both the state and local mobs.
