Gathering Moss: A Natural and Cultural History of Mosses

In *Gathering Moss*, Dr. Kimmerer successfully demonstrates that there is a place for both types of understanding that can and should be cultivated in seeking to understand not only mosses but everything in the natural world. In taking this approach to a subject – bryology – about which even many amateur naturalists know little if anything and of which the literature on the subject makes the study of seem dauntingly complex, Dr. Kimmerer brings the study of mosses gently to the interested ...
