Gathering Storm III (Rise of the Primarch) is where the story goes off the rails for me. Belisarius Cawl, Celestine, Grey Knight Grand Master Voldus (a new character), some Eldar (including Yvraine) and the intrepid Inquisitor Greyfax, et. al., arrive at the stasis enshrined body of Guilliman after an arduous journey...which will become even more arduous.

Dakka Veteran I really wouldn't doubt that some of the model designers convert existing parts to show a mock up. So many other people convert things, why not do it and get paid for it while showing an idea of what a model could look like?

Aug 22, 2019 @ 2:51pm. Gathering Storm contains all game mechanics of Rise and Fall, meaning it has dark ages (epochs), governors, loyalty, as well as the expected Gathering Storm content. It does not have the small side content of Rise and Fall, namely a few natural/world wonders, and a few civs. In my opinion there is literally no reason to buy Rise and Fall unless it's dirt cheap or you value natural/world wonders/civs at a value of more than \$1 each, which I wouldn't put above a nickel ...
