NEW YORK TIMES BESTSELLER • A NEW YORK TIMES NOTABLE BOOK The remarkable story of James Howard “Billy” Williams, whose uncanny rapport with the world’s largest land animals transformed him from a carefree young man into the charismatic war hero known as Elephant Bill In 1920, Billy Williams came to colonial Burma as a “forest man” for a British teak company. Mesmerized by the intelligence and character of the great animals who hauled logs through the jungle, he became a gifted “elephant wallah.” In *Elephant Company*, Vicki Constantine Croke chronicles Williams’s growing love for elephants as the animals provide him lessons in courage, trust, and gratitude. *Elephant Company* is also a tale of war and daring. When Japanese forces invaded Burma in 1942, Williams joined the elite British Force 136 and operated behind enemy lines. His war elephants carried supplies, helped build bridges, and transported the sick and elderly over treacherous mountain terrain. As the occupying authorities put a price on his head, Williams and his elephants faced their most perilous test. *Elephant Company*, cornered by the enemy, attempted a desperate escape: a risky trek over the mountainous border to India, with a bedraggled group of refugees in tow. Part biography, part war epic, *Elephant Company* is an inspirational narrative that illuminates a little-known chapter in the annals of wartime heroism. Praise for *Elephant Company* “This book is about far more than just the war, or even elephants. This is the story of friendship, loyalty and breathtaking bravery that transcends species. . . . *Elephant Company* is nothing less than a sweeping tale, masterfully written.” —Sara Gruen, *The New York Times Book Review* “Splendid . . . Blending biography, history, and wildlife biology, [Vicki Constantine] Croke’s story is an often moving account of [Billy] Williams, who earned the sobriquet ‘Elephant Bill,’ and his unusual bond with the largest land mammals on earth.” —*The Boston Globe* “Some of the biggest heroes of World War II were even bigger than you thought. . . . You may never call the lion the king of the jungle again.” —*New York Post* “Vicki Constantine Croke delivers an exciting tale of this elephant whisperer – cum – war hero, while beautifully reminding us of the enduring bonds between animals and humans.” —Mitchell Zuckoff, author of *Lost in Shangri-La* and *Frozen in Time*

The Shadow Cipher Ballantine Books

NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY CHICAGO TRIBUNE • A thrilling adventure of danger and deep-sea diving, historic mystery and suspense, by the author of *Shadow Divers* Finding and identifying a pirate ship is the hardest thing to do under the sea. But two men—John Chatterton and John Mattered—are willing to risk everything to find the Golden Fleece, the ship of the infamous pirate Joseph Bannister. At large during the Golden Age of Piracy in the seventeenth century, Bannister should have been immortalized in the lore of the sea—his exploits more notorious than Blackbeard’s, more daring than Kidd’s. But his story, and his ship, have been lost to time. If Chatterton and Mattered succeed, they will make history—it will be just the second time ever that a pirate ship has been discovered and positively identified. Soon, however, they realize that cutting-edge technology and a willingness to lose everything aren’t enough to track down Bannister’s ship. They must travel the globe in search of historic documents and accounts of the great pirate’s exploits, face down dangerous rivals, battle the tides of nations and governments and experts. But it’s only when they learn to think and act like pirates—like Bannister—that they become able to go where no pirate hunters have gone before. Fast-paced and filled with suspense, fascinating characters, history, and adventure, *Pirate Hunters* is an unputdownable story that goes deep to discover truths and souls long believed lost. Praise for *Pirate Hunters* “You won’t want to put [it] down.” —*Los Angeles Times* “An exceptional adventure. . . . Highly recommended to readers who delight in adventure, suspense, and the thrill of discovering history at their fingertips.” —*Library Journal* (starred review) “A terrific read. . . . The book gallops along at a blistering pace, shifting us deftly between the seventeenth century and the

present day.” —*Diver* “Nonfiction with the trademarks of a novel: the plots and subplots, the tension and suspense. . . . [Kurson has] found gold.” —*The Dallas Morning News* “Rollicking. . . a fascinating [story] about the world of pirates, piracy, and priceless treasures.” —*The Boston Globe* “[Kurson’s] narration is just as engrossing as the subject.” —*The Christian Science Monitor* “A wild ride [and an] extraordinary adventure. . . . Kurson’s own enthusiasm, combined with his copious research and an eye for detail, makes for one of the most mind-blowing pirate stories of recent memory, one that even the staunchest landlubber will have a hard time putting down.” —*Publishers Weekly* (starred review) “The two contemporary pirate-ship seekers of Mr. Kurson’s narrative are as daring, intrepid, tough and talented as Blood and Sparrow—and Bannister. . . . As depicted by the author, they are real-life Hemingway heroes.” —*The Wall Street Journal* “[Kurson] takes his knowledge of the underwater world and applies it to the ‘Golden Age of Piracy’ . . . thrillingly detailing the highs and lows of chasing not just gold and silver but also history.” —*Booklist* “A great thriller full of tough guys and long odds. . . . and: It’s all true.” —*Lee Child*

Destined to become an adventure classic. --*Anchorage Daily News* In the tradition of Into the Wild comes an instant classic of outdoor literature, a riveting work of uncommon depth: *The Adventurer's Son* is Roman Dial's extraordinary account of his two-year quest to unravel the mystery of his son's fate. In the predawn hours of July 10, 2014, the twenty-seven-year-old son of preeminent Alaskan scientist and National Geographic Explorer Roman Dial, walked alone into Corcovado National Park, an untracked rainforest along Costa Rica's remote Pacific Coast that shelters miners, poachers, and drug smugglers. He carried a light backpack and machete. Before he left, Cody Roman Dial emailed his father: "I am not sure how long it will take me, but I'm planning on doing 4 days in the jungle and a day to walk out. I'll be bounded by a trail to the west and the coast everywhere else, so it should be difficult to get lost forever." They were the last words Dial received from his son. As soon as he realized Cody Roman's return date had passed, Dial set off for Costa Rica. As he trekked through the dense jungle, interviewing locals and searching for clues--the authorities suspected murder--the desperate father was forced to confront the deepest questions about himself and his own role in the events. Roman had raised his son to be fearless, to be at home in earth's wildest places, travelling together through rugged Alaska to remote Borneo and Bhutan. Was he responsible for his son's fate? Or, as he hoped, was Cody Roman safe and using his wilderness skills on a solo adventure from which he would emerge at any moment? Part detective story set in the most beautiful yet dangerous reaches of the planet, *The Adventurer's Son* emerges as a far deeper tale of discovery--a journey to understand the truth about those we love the most. *The Adventurer's Son* includes fifty black-and-white photographs. --*Chicago Tribune* (10 Books to Read in Winter 2020)

The Wind in the Willows is a children's novel by Scottish novelist Kenneth Grahame, first published in 1908. Alternatingly slow-moving and fast-paced, it focuses on four anthropomorphised animals: Mole, Rat (a European water vole), Toad, and Badger. They live in a pastoral version of Edwardian England. The novel is notable for its mixture of mysticism, adventure, morality, and camaraderie, and celebrated for its evocation of the nature of the Thames Valley.

The great novel of the American dream, of "the universal eligibility to be noble," Saul Bellow's third book charts the picaresque journey of one schemer, chancer, romantic, and holy fool: Augie March.

Awarded the National Book Award in 1953, *The Adventures of Augie March* remains one of the classics of American literature. An impulsively active, irresistibly charming and resolutely free-spirited man, Augie March leaves his family of poor Jewish immigrants behind and sets off in search of reality, fulfillment, and most importantly, love. During his exultant quest, he latches on to a series of dubious schemes - from stealing books and smuggling immigrants to training a temperamental eagle to hunt lizards - and strong-minded women - from the fiery, eagle-owning Thea Fenchel, to the sneaky and alluring Stella. As Augie travels from the depths of poverty to the peaks of worldly success, he stands as an irresistible, poignant incarnation of the American idea of freedom. Written in the cascades of brilliant, biting, ravishing prose that would come to be known as "Bellovian," *The Adventures of Augie March* re-wrote the language of Saul Bellow's generation.

An instant New York Times bestseller, this prequel to the acclaimed Cork O'Connor series is "a pitch perfect, richly imagined story that is both an edge-of-your-seat thriller and an evocative, emotionally charged coming-of-age tale" (Kristin Hannah, #1 New York Times bestselling author) about fathers and sons, small-town conflicts, and the events that shape our lives forever. Aurora is a small town nestled in the ancient forest alongside the shores of Minnesota's Iron Lake. In the summer of 1963, it is the whole world to twelve-year-old Cork O'Connor, its rhythms as familiar as his own heartbeat. But when Cork stumbles upon the body of a man he revered hanging from a tree in an abandoned logging camp, it is the first in a series of events that will cause him to question everything he took for granted about his hometown, his family, and himself. Cork's father, Liam O'Connor, is Aurora's sheriff and it is his job to confirm that the man's death was the result of suicide, as all the evidence suggests. In the shadow of his father's official investigation, Cork begins to look for answers on his own. Together, father and son face the ultimate test of choosing between what their heads tell them is true and what their hearts know is right. In this "brilliant achievement, and one every crime reader and writer needs to celebrate" (Louise Penny, #1 New York Times bestselling author), beloved novelist William Kent Krueger shows that some mysteries can be solved even as others surpass our understanding.
