Research Papers On Symbolism In Gattaca

This research paper deals with two major issues in the borderline between science and fiction. First, it shows how some elements in GATTACA are more realistic than one we usually assume. Second, it suggests a way to draw the line between reality and fantasy, and to know how to recognize those elements, which may bring about a deterioration of societies as demonstrated in the film.

Film Analysis - Gattaca 6 Pages 1411 Words

Gattaca is a film about conquering the human gene via genetic manipulation and how this technology cannot eradicate the problems of human nature.

In this way, Gattaca emphasizes that passion, ambition and drive are the true markers of humanity and identity. Gattaca also explores the importance of individuality. Within the Gattaca Institute there is a lack of individuality. Workers dress the same, do not interact with each other, and are almost indistinguishable from one another.

Sociology: Gattaca Movie Paper Essay

Example | Graduateway

In the society of Gattaca, wealth determines fate; what parents can afford decides how 'perfect' their child will be. This raises the issue of in-valids' separation from valids (and the whole surrounding society), and the suffocation of in-valids' desires. This can be referred to with Vincent, as his longing to journey to space.
