When Billy and his dad are injured, Tom summons the courage to get back on the water to save them. This time, he must travel in a rickety old homemade canoe through the

Alaska wilderness to get help. But it's not just the canoe and the terrain he has to worry about—he's surrounded by adversaries. Are his skills enough to fight them off or will his journey be cut short and Billy and his father left stranded?

Jesus the Rabbi Universidad del Pacifico
Lynnette Kraft hoped she'd had her share of suffering with the death of two infant sons and a complicated congenital diagnosis for her daughter, Anna. But six years later, Anna, too, is called home, and Lynnette is, once more, thrust into a world of grief, wondering if she'll ever be able to reconcile God's purpose in her heartache. When she receives an unexpected letter from Courtney Becker, the 911 dispatcher who took the call that fateful morning, Lynnette is given a chance to see, firsthand, the transformative power of suffering. A divinely orchestrated tale of trial and perseverance--hopelessness and restoration.

On these pages you will discover that during His time on earth, Jesus was not only a Jew, but a trained and qualified Rabbi--who had

verified authority to be the leading teacher of His day. Where was Jesus from age 12 when He was in the temple, until we find Him at age 30 being baptized by John the Baptist? Why did they call Him Rabbi? By what authority did Jesus teach in a synagogue? Why did He command such a great following? Says the author, "As a follower of Christ, what you are about to discover will help establish a cultural context that will enable you to clearly interpret the teachings of God's Son."

Detour for Emmy Bucket Fillers

Five friends are in a race against time in this action-adventure story involving

ancient tribal artifacts that hold the fate of the universe in the balance. None of these trailblazers imagined their ordinary parents as scientists on a secret mission. But when their parents go missing, they are forced into unfathomable circumstances and learn of a history that is best left unknown, for they are catalysts in an ancient score that must be settled. As the chaos unfolds, opportunities arise that involve cracking codes and anticipating their next moves. This book unfolds sturdy, accurate scientific facts and history knowledge where readers will surely become participants.

Surviving Bear Island PM Press
Historically accurate and full of enchanting wordplay, this fanciful tale set in Rome in 36 AD follows the adventures of Spartapuss, via his diary entries, as the

Feline Empire falls into the hands of Emperor Tiberius' tyrannical heir, Catligula. When someone scrawls a nasty poem about the royal felines on Spatopia's vomitorium walls during a visit to the spa from Catligula and his mother Mewlia, Spartapuss is held responsible. Fortune takes a wicked turn when he's thrown in jail and transferred to a gladiator training school. When the Emperor goes on an endless vacation, the foul Catligula takes control of the Empire and creates new laws. Now Spartapuss's only chance for freedom lies in his ability to defeat his opponents in the gladiator arena.

Modern Spanish Grammar Workbook is an innovative book of exercises and language tasks for all learners of European or Latin American Spanish. The book is divided into two sections:

- * Section 1 provides exercises based on essential grammatical structures
- * Section 2 practises everyday functions such as making introductions and expressing needs

A comprehensive answer key at the back of the book enables you to check on your progress. Modern Spanish Grammar Workbook is ideal for all learners of European or Latin American Spanish including undergraduates taking Spanish as a major or minor part of

their studies, as well as intermediate and advanced students in schools and adult education. It can be used independently or alongside Modern Spanish Grammar, also published by Routledge.

The Earth Liberation Front, 1997-2002

Modern Spanish Grammar: A Practical Guide is an innovative reference guide to Spanish, combining traditional and function-based grammar in a single volume. The Grammar is divided into two parts. The shorter section covers traditional grammatical categories such as word order, nouns, verbs and adjectives. The larger section is carefully organized around language functions and notions such as: giving and seeking information putting actions into context

- * expressing likes, dislikes and preferences
- comparing

objects and actions. All grammar points and functions are richly illustrated and information is provided on register and relevant cultural background. Written by experienced teachers and academics, the Grammar has a strong emphasis on contemporary usage. Particular attention is paid to indexing and cross-referencing across the two sections. This is the ideal reference grammar for learners of Spanish at all levels, from elementary to advanced. It will prove invaluable to those with little experience of formal grammar, as no prior knowledge of grammatical terminology is assumed and a glossary of terms is provided. The book will also be useful to teachers seeking back-up to functional syllabuses, and to designers of Spanish courses.
