Edexcel GCSE Mathematics HarperCollins UK

This book has been specifically written for the new two-tier Edexcel linear GCSE specification for first examination in 2008. The book is targeted at the B to A* grade range in the Foundation tier GCSE, and it comprises units organised clearly into homeworks designed to support the use of the Higher Plus Students' Book in the same series. Each unit offers: * A review test focusing on prior topics for continual reinforcement * Two sets of questions that relate directly to individual lessons in the unit, providing ample practice * A synoptic homework that covers the whole unit, so students consolidate the key techniques * Full answers in the accompanying teacher book It forms part of a suite of four homework books at GCSE, in which the other three books cater for grade ranges G to

E, E to C and D to B.
