[Ge Profile Spectra Electric Range](#)

If you pull the range out from the wall for any reason, make sure the device is properly engaged when you push the range back against the wall. If it is not, there is a possible risk of the range tipping over and causing injury if you or a child stand, sit or lean on an open door. Please refer to the Anti-Tip device information in this manual.

The GE Spectra stove is a freestanding range with QuickClean technology. Although the range comes with a one-year limited warranty, you should follow GE's recommended care instructions for the unit, which include avoiding immersion of the surface units in water, keeping the oven vent clear of obstructions and not cleaning the oven's door gasket.
