Operator, Organizational, Direct Support and General Support Maintenance Manual (including Repair Parts and Special Tools Lists)

The author focuses on the marketing perspective of the topic and illustrates how women's roles in

society have shifted during the past century. Among the key issues explored is a peculiar dichotomy of American advertising that served as a conservative reflection of society and, at the same time, became an underlying force of progressive social change. The study shows how advertisers of housekeeping products perpetuated the Happy Homemaker stereotype while tobacco and cosmetics marketers dismantled women's stereotypes to create an entirely new type of consumer.
