Engine Tuneup for Generac Wheelhouse 5500 / 5550 Portable Generator July 6 By kevin 23 Comments I don ' t use my portable generator that often, other than maybe testing it once every month or two, so in my opinion it is critical to perform an engine tuneup at least every 12 months.

Owner ' s Manual

Keeping fresh oil in your Briggs & Stratton 5500 portable generator allows the engine parts to be properly lubricated so the generator runs properly. If the oil is allowed to become thick or to dry out, the generator's internal components may begin to wear down from metal-to-metal contact and then the entire unit will be useless.
