This book contains model answers to the

questions and case studies asked in General

Studies-IV (GS-4) Civil Services Mains

Paper from 2013 to 2019 with detailed

information on the background/framework

of the question/likely answer. It is

important to note that as a subject in Civil

Services Examination, GS-4 is the only

subject where we have comparatively well

defined syllabus and paper pattern. Because

of this, each individual can score good

marks in the paper with lesser efforts as

compared to other General Studies Papers,

i.e. if you dedicate 15-20 days to this

subject, you will not just learn about the

complete subject but you can score much

more as compared to other General Studies

paper, as they require much more time

because of their dynamic nature. If we

consider the previous year question Papers

of General Studies-IV, the questions were

divided into two parts as: 1. Theory-based

Questions (based on the theoretical aspects

of the ethics), and 2. Case Studies (based on

the actual or probable life situations). The

answers are divided into two portions with

first one detailing about the framework of

the answer or background of the question,

giving details about the basic idea of the

question or the form of case study. The

second part is the model answer giving

wider inputs on the question. We hope that

wider considerations will help the reader in

understanding the question and how to

structure the answer, based on the question.
