Genesis Christian  
Liberty Press

Acts is the sequel to Luke's gospel and tells the story of Jesus's followers during the 30 years after his death. It describes how the 12 apostles, formerly Jesus's disciples, spread the message of Christianity throughout the Mediterranean against a background of persecution. With an introduction by P.D.

Answers Book 2 explores over 30 exciting and faith-affirming topics, including: The fall of Lucifer and the origin of evil When does life begin (and why does it matter)? Is evolution a religion (and why should I care)? Archaeology, Egyptian Chronology, and the great flood Could early biblical figures like Noah really live to over 900 years of age? What was the Star of Bethlehem (and how did the wise men follow it)? The “Evolutionization” of our culture — including intelligent design, gay marriage, Hollywood movies, and more! Explore these and other topics, answered biblically and logically in this book from the world’s largest apologetics ministry, Answers in Genesis.

Contributors include Ken Ham, Dr. Andrew Snelling, Dr. Jason Lisle, Dr. Elizabeth Mitchell, Dr. Danny Faulkner, Mike Riddle, and more. Bible Questions and Answers Harvest House Publishers All the women of the Bible offers a rich biographical perspective on every female figure in scripture -- including the famous, the little-known, and even the unnamed. In more than 300 engaging and insightful portraits, Edith Deen brings alive the saints and sorceresses, queens and servants, mothers and daughters, wives and widows whose profound influence is felt through-out the Bible. "You can almost trace light and darkness in the Bible by the women themselves," she writes. "Hannah, praying mother of Samuel, gave birth to a son who became the first great Hebrew prophet. And, of course, there was the mother of Jesus. On the other hand,

---

Jezebel and Herodias were vile influences, the first tearing apart the northern kingdom of Israel, the second causing John the Baptist to be beheaded."

Combining thorough detail with a lively and dramatic narrative, *All of the Women of the Bible* portrays the real women behind the Biblical stories and shows how, in their human struggles and triumphs, they are very much like the women of today. With each major biography identified by Bible chapter and verse and prefaced by a key passage of scripture, this is an ideal resource for teachers, Bible students, preachers, and writers, as well as anyone who wants to learn what it was really like to be a woman in Biblical times.

More Ultimate Bible Trivia  
Grove/Atlantic, Inc.

In this enlightening study, renowned twentieth-century theologian Dietrich Bonhoeffer offers a careful

textual analysis of the story of creation, approaching the biblical tale of Genesis with the eye of a philosopher and the soul of a true Christian.

"Creation and Fall" is Bonhoeffer's lucid, brilliant analysis of the first three chapters of Genesis. Here he discusses the seeming scientific naiveté behind the creation story, God's love and goodness, and humanity's creation, its free will, and its blessedness. Bonhoeffer also tackles difficult questions that are raised from the first book of the Bible, questions about the seemingly redundant second story of creation, about God's own beginning, about the source of the light that was created the first day. The author then expounds upon Adam and Eve's fall from grace: How could they, creatures made in God's

---

image, have thought to oppose challenge, enlighten, and God so foully? Where did the first evil come from? How did humanity lose its right to live in paradise? In

“Temptation,” Bonhoeffer questions how temptation appeared in the midst of Eden’s innocence, and he explores the very nature of evil. Bonhoeffer explains that Jesus Christ helps us to understand and conquer physical and spiritual temptation through His grace and goodness.

---

fun individual study--always with the greater purpose of increasing Bible knowledge to know God better.

The Complete Book of Bible Trivia Sourcebooks, Inc.

This volume represents the launch of The Bible Question by Question series. Intended for Bible study groups, individual reading, or classroom use, the volumes in this series provide a methodical approach to Bible study that incorporates the practical insights of modern biblical research. The Book of Genesis: Question by Question was designed to assist individuals or groups who are planning to read the entire book of Genesis, and who want to gain a full understanding of its meaning, its authorship, and the circumstances under which it was written. This book is not intended to compete with

major commentaries, but rather to guide readers who want to work with the Genesis stories right away, and who can subsequently develop an appetite for some of the wealth of fine details found in other modern reference works. Readers are encouraged to develop religious appreciations and overviews as they progress toward the end of the journey, rather than at the start. This book is divided into a series of sections based on individual stories or remarks made by the various authors and editors of Genesis. For each section an introduction provides the basic information needed to read that biblical story in line with current scholarship, but much comment and analysis is held in reserve until the readers have moved on to try their hand at the questions. The

---

answers at the end of the book should be consulted by readers after they have invested time in reflection and in writing down their own responses. In each section the conclusions that follow the question and answer process are meant to be practical rather than exhaustive, since the goal is to move on to the next section with the same plan--to get hands on the verses of the next story. Taken together, this book provides an excellent introduction to Genesis, and constitutes the ideal launch of what is destined to be a widely popular series for Bible study.

Creation and Fall Temptation  
Barbour Publishing

The Bible starts with a bang. In the first few chapters it addresses life's most important

questions. What is God like?

Why am I here? How did it all begin? Where is it all going? This practical study provides: an overview of Genesis and its themes; everyday applications of the truths of Genesis; insightful explanations of creation, the origin of evil, and God's rescue plan; helpful answers to frequently asked questions; open-ended questions for group discussion or individual study.

Genesis includes some of the Bible's most fascinating stories, colorful characters, and dramatic narratives. But more than that, Genesis also provides God's answers to life's ultimate questions. Book jacket.
