What is the relationship between sex and gender? Understand society's shifts in thinking and talking about sex and gender Discover how biological sex guides gender Recognize how the Bible speaks to gender and transgender Respond to affirming interpretations of Scripture Answer gender confusion with clarity and compassion In *The Body God Gives: A Biblical Response to Transgender Theory*, Robert S. Smith argues that God intends a person's gender to be grounded in the reality of his or her biological sex—the body God has given. In making his case, Smith critiques the central claim of transgender theory: that the sexed body does not determine the gendered self. He also evaluates contemporary changes in thought and speech about sex and gender, responding to modern confusion with biblical conviction and compassion. God speaks clearly, both in his word and in his world.

Born the son of a clergyman on October 18, 1662, Matthew Henry was ordained into the British Presbyterian Church where he held the pastorate in Chester from 1687 to 1712. He was widowed, married again and had 10 children, three whom died in infancy. Henry died in 1714. Henry began work on his commentary as "Notes On The New Testament" in 1704 and the monumental work was completed shortly before his death in 1714. Remembered as a caring pastor, a passionate lover of the Word of God, and a man of great personal integrity, Matthew Henry has left his mark on the hearts of countless Christians who seek a deeper understanding of the riches that Scripture contains. The books of Jeremiah and Lamentations cannot be separated from the political conditions of ancient Judah. Beginning with the righteous king Josiah, who ushered in a time of glorious but brief religious reform, Jeremiah reflects the close tie between spiritual and political prosperity or disaster, between the actions and heart of Judah and her kings and their fortunes as a nation. While few of us today have any firsthand understanding of what it means to live in a theocracy, the central theme of Jeremiah and Lamentations remains clear and still holds true: God first, politics second. The words, prayers, and poems of 'the weeping prophet' serve to realign us with God's priorities, turning us from evil and encouraging us to pursue God and his ways. With emotion and spiritual depth, these prophetic writings beckon us toward a spiritual integrity that can still affect the course of individuals and nations today.

Most Bible commentaries take us on a one-way trip from our world to the world of the Bible. But they leave us there, assuming that we can somehow make the return journey on our own. They focus on the original meaning of the passage but don't discuss its contemporary application. The information they offer is valuable--but the job is only half done! The NIV Application Commentary Series helps bring both halves of the interpretive task together. This unique, award-winning series shows readers how to bring an ancient message into our postmodern context. It explains not only what the Bible meant but also how it speaks powerfully today.

Regarding gender relations, the evangelical world is divided between complementarians and egalitarians. While both perspectives have much to contribute, the discussion has reached a stalemate. Michelle Lee-Barnewall critiques both sides of the debate, challenging the standard premises and arguments and offering new insight into a perennially divisive issue in the church. She brings fresh biblical exegesis to bear on our cultural situation, presenting an alternative way to move the discussion forward based on a corporate perspective and on kingdom values. The book includes a foreword by Craig L. Blomberg and an afterword by Lynn H. Cohick.
