Genie Overview Genie goes back a long ways. Their series and model numbering is confusing. Probably because over the decades things change. I know there are quite a few missing manuals. I'd guess only 50% are covered here. So please, if you have a manual not included here please contact me. I would love to make this list as complete as possible.

Genie EXCELERATOR garage door opener manual

Check to make sure the chain/belt assembly is not broken or off its pulley. Check to make sure the pulley is not broken. Replace broken chain, belts, sprockets, or pulleys. Opener runs, but the garage door does not move (screw drive models) Make sure the carriage is engaged. If not, re-engage it.
