Genie Overview Genie goes back a long ways. Their series and model numbering is confusing. Probably because over the decades things change. I know there are quite a few missing manuals. I'd guess only 50% are covered here. So please, if you have a manual not included here please contact me. I would love to make this list as complete as possible.

Slide each individual switch on the remote control to the exact position each switch is on the door opener with your finger. Place the battery cover back on the remote control and press the white button on the remote control. If the Genie door opener does not operate, one or more of the dip switches is not set correctly.
