### Genki – Home

The Genki textbook and  
workbook have really helped  
him gain the depth and practice  
he needs. He seems to enjoy

using both books--that's an  
accomplishment, considering  
that he is a bright kid who gets  
easily bored in school. I would  
recommend this book and the  
accompanying workbook to  
anyone wanting to begin learning  
Japanese.
