基礎日本語文法教本 Tuttle Publishing

This book provides a complete course for beginning

students who want to learn the Katakana alphabet!

With plentiful writing and reading practice, this workbook starts with the basic letters and works up to writing words and complete sentences. Divided into two parts, the first part presents the 46 main Katakana letters in their full and contracted forms, with extensive writing spaces provided for writing practice. Recognition and pronunciation of the letters are reinforced through writing and listening exercises. In the second half of the book, students can apply their knowledge of Katakana in a Writing Practice section that contains sentences related to contexts in which Katakana words are often used, such as food and drinks, social media and tourism.

Exercises are graded in difficulty from Writing Drills (from copying to writing from memory) to Dictation Practice (connecting the sounds with the letters) to Writing Exercises (writing answers that fit the situations given). Features of this language workbook include: A thorough overview of the Japanese writing system, explaining when and how

Katakana is used Handwriting and stroke-order tips along with extensive writing practice sheets Online audio recordings speed up the process by reinforcing the pronunciation of the letters through a wide variety of listening and writing exercises Mnemonic illustrations for every character Printable flashcards available online for download The Japanese writing system combines three types of letters: hiragana, katakana, and kanji. Katakana is used for transcription of foreign language words into Japanese; in the writing of loan words; for emphasis; to represent onomatopoeia; for technical and scientific terms; for names of plants, animals, minerals and often Japanese companies.

Reading and Writing Japanese Katakana
Vertical Inc

This hugely successful beginner's course offers modern, engaging Modern Standard Arabic lessons through lively dialogues, varied exercises and fascinating cultural insights. This is the only user-friendly, accessible beginner level course on the market accompanied by audio CDs with native Arabic speakers. If Cats Disappeared from the World Vertical Inc
Contemporary Japanese Workbook, Volume 1 was created as a supplementary material for
Contemporary Japanese: An Introductory Textbook

for College Students. A workbook which is best used for reviewing and reinforcing the concepts and learning materials introduced in the textbook, it is also designed to function as a standalone comprehensive workbook. Some of the features included for this purpose are (a) presentation of a brief note on the concept tested before every question, (b) providing of vocabulary and kanji glossaries on unfamiliar words, and (c) an audio input by native speakers. This workbook also offers materials in the business, traveling and daily life contexts, in addition to the college life context featured greatly in the textbook. Contemporary Japanese Workbook series comes in two volumes, consisting of 26 chapters (Chapter One to Fourteen in Volume 1 and Chapter Fifteen to Twenty-Six in Volume Two) in all. It integrates all the information provided in the textbook. Each chapter in the workbook has specific objectives and includes the following six sections: Kanjia and vocabulary Grammar. Conversation and Usage. Listening

Comprehension. Writing. New Vocabulary Reference List. In Contemporary Japanese Workbook Volume One, hiragana characters are introduced in Chapter One in the form of questions along with audio recordings, and are used in subsequent chapters without ruby, in this case in romanji. Katakana characters are introduced in Chapter Four, also in the form of questions, and are used in subsequent chapters without ruby. Kanji characters are introduced in the form of questions, accompanied by detailed information such as meanings, component equations, remembering guides, stroke order, and usage examples. The required kanji characters in every chapter are introduced without ruby. When they appear again in the following chapters, ruby is sparingly provided, wherever it is thought to be helpful, and the use of this pronunciation guide is gradually reduced. Non-required kanji characters occasionally appear with ruby to help learners get accustomed to kanji and thus, able to see the phrase boundaries in a

sentence easily.

For English-speaking students of Japanese, particles are perhaps the most difficult aspect of the language to learn. It would be no exaggeration to say that, for most people, they can never be completely mastered. Thus, the study of particles is a lifetime undertaking, and students need a lifelong companion to help them along the way. That companion is A Dictionary of Japanese Particles. Covering over 100 particles in alphabetical order, the dictionary explains the meanings of each (most have more than one) and gives sample sentences for each meaning. Illustrations are provided where necessary for clarification. There are also exercises at the back of the book for those who wish to test their knowledge of particle usage. Appendices and end paper

charts are provided for easy access. A Dictionary of Japanese Particles is an essential reference work, meant to be used over the years as students continue to confront puzzling particles.

Psychology 2e University of Hawaii Press
Second edition of the most highly regarded teaching text book on the Japanese language, covering speaking, listening, reading, and writing to cultivate overall language ability. Each lesson in the revised edition features a new section dubbed "Culture Notes," and now includes the audio CD companion which is in mp3 format ready to install on any music player. In Japanese/English. Distributed by Tsai Fong Books, Inc.

Elementary Turkish Flatiron Books

From the mind of Japanese artist Naoshi comes the sweet and charming world of Ice Cream Work. This utterly delicious book tells the story of a humble ice cream cone man whose search for work takes him many places and puts him in challenging situations as he tries to earn a living over the course of a week. Ice Cream Work features surreal characters living in real world situations bursting with color and detail. This book reminds us that everyone has unique traits which make them special and emphasizes the importance of creativity and imagination in daily life. Internationally acclaimed artist Naoshi has created a brilliant and fantastical world of her own full of quirky characters and situations that draw the reader into pages bursting with color. Using shiny colorful sand, known as Sunae in Japan, Naoshi's distinctive style is instantly memorable and utterly original. In this, her first book for American audiences, Naoshi introduces Sunae through the story, but also in a crafty "How to Make Sunae" section where she provides a step by step process of

making "sand paintings" like the ones seen in the book. There is also an interactive "Look and Find" page which challenges readers to spot details they might not have noticed before. Ice Cream Work will delight readers young and old while introducing an exciting new talent to American audiences.

Getting Genki In Japan Tuttle Publishing

The unexpected gift of a favored bottle of shiraz from her husband leads to the adventure of a lifetime for Karen Pond and her family—moving from rural Maine to the largest city in the world: Tokyo, Japan. Getting Genki in Japan is a collection of illustrated travel and culture essays and musings of a Down East Mom's absurd and exhilarating adventures in the Far East. From bewildered and befuddled (and back again) to

(somewhat) wise, these narratives recount a journey of cultural discoveries, experiences and the follies of a newcomer to Japan; including (mis)identifying food, (mis)pronouncing Japanese, (mis)pantomiming for necessities, and finally figuring out how to flush the Japanese toilet!

???? Kodansha Amer Incorporated

A revised, expanded edition of the best-selling Japanese-English character dictionary — now with all the current J?y? and Jinmei Kanji With The Kodansha Kanji Learner's Dictionary: Revised and Expanded, learners finally have at their fingertips accurate and in-depth information on all the kanji prescribed by the Japanese government. In all, 3,002 characters — 772 more than in the first edition — fill its pages, making it the most comprehensive and up-to-date dictionary of its kind. The main goal

of the dictionary is to give the learner instant access to a wealth of useful information on kanji, including their meanings, readings, stroke order, and usage in compounds. Compounds pose a special problem for learners. Normally one must memorize them as unrelated units. A unique feature of this dictionary that overcomes this difficulty is the core meaning, a concise keyword that defines the dominant sense of each kanji, followed by character meanings, or specific senses the kanji can have when used in the living language. Together these features help learners understand the logic behind compound formation. Another unique feature is the System of Kanji Indexing by Patterns (SKIP), a revolutionary indexing system that has gained widespread popularity because it enables the user to locate characters as quickly and as accurately as in alphabetical dictionaries. With SKIP, all one needs to do to find a kanji is identify the geometrical pattern to which it belongs, then count the strokes in each part of that pattern — a much speedier process than searching by traditional methods. In 2020 the government expanded the Educational Kanji list from 1006 to 1026 characters to cover the characters used in all Japanese prefecture names. This edition includes these revisions along with illustrative compounds words. These features, and many more, make this dictionary the most powerful kanji-learning tool ever devised.

All About Particles Tuttle Publishing
With over 6,500 fully illustrated words and phrases in Korean and English, along with a free bilingual audio app, Korean language learning has never been easier. Perfect for tourists and business travellers alike, DK's Korean English Bilingual Visual Dictionary is your essential companion when buying food, talking about work, discussing health, and studying language. The dictionary is incredibly easy to follow, with thematically organized vocabulary so you can find closely related

words on a particular topic. Words and phrases are illustrated with full-colour photographs and artworks, helping to fix new vocabulary in your mind. A comprehensive two-way index provides an instant reference point for new Korean vocabulary. The supporting audio app enables you to hear over 6,500 words and phrases spoken out loud in both Korean and English. Available on the App Store and Google Play, the audio app is easy to use and provides an intuitive reference for language learning, helping you learn, retain, and pronounce important vocabulary. The dictionary gives a pronunciation guide for every Korean word, and you can use this alongside the app to perfect your pronunciation.
