Gentlemen Prefer Succubi (2009) About book: 3.5 stars. I liked it. It made me smile/chuckle a few times. I liked the two guys and I have to admit it's a tough decision to make between Noah and Zane as both are great in their own way.

Jill Myles (Author of Gentlemen Prefer Succubi)

Gentlemen Prefers Succubi is the first book in the Succubus Diaries series and it is amazing. I love the world that Jill Myles created. Jackie is a museum docent, who after too many drinks wakes up in a dumpster with no idea of how she got there.
