WORLD REGIONAL GEOGRAPHY. (PRODUCT ID 23958336). Barron's Educational Series Bruce Gervais ' new text offers a fresh approach to the study of physical geography, combining print and digital media to create a scientifically substantive work that is written

for students. Living Physical Geography focuses on human-physical geography interactions, using pedagogical features in the textbook and online to create a modern synthesis of the science of physical geography. Each of the four major parts in Living Physical Geography is identified by energy flows within Earth ' s physical systems. Additionally, landscape analysis underpins the body of the text. Step-by-step examples are used to illustrate how landforms and systems develop, evolve, and change through time.
