On the train, on the beach,
on the sofa ... many people
in all parts of the world
enjoy doing wordsearches.
If you are studying English
and want to learn and
practise vocabulary related
to various topics, then this
book is for you! The topics
reflect the kinds of everyday
conversations that you
might have both with native
and non-native speakers of

English. The topics are also
those that are typically tested
in English examinations
e.g. TOEFL, Cambridge
(First Certificate,
Advanced), IELTS, and
Trinity. Each chapter begins
with a list of questions to
enable you to have a
conversation about a
particular topic in various
situations: on a social
occasion (e.g. a work dinner,
a conference lunch, a party);
in the classroom during an
English lesson; when
chatting, either face to face
or online; and during an
English oral exam. After the
list of questions, you will
find a Word List associated
with the topic and exercises
to test your knowledge of
less common words. The
final aim is then to find the
words from the Word List in
the related Wordsearch. Easy
English! is a series of books

to help you learn and revise your English with minimal effort.
