However, I was looking for a book for an honors class for a top suburban district in NorCal. The test problems seem to be consistently harder than the textbook. This book isn't any more challenging even though it's labeled "honors". We ended up getting Geometry for Enjoyment and Challenge (0866099654).

Successful completion of Geometry (or Honors Geometry) is required for admission to most colleges. Students enrolled in this course are expected to have demonstrated a high level of achievement in Algebra I. 2nd semester: Honors Geometry covers the same topics as Geometry, with more emphasis placed on formal proof and applications.
