Discovering Geometry Resources With digital eBooks and teacher resources , you can access electronic versions of your textbook and teaching materials. You can also give your students access to their online textbooks, which contain all the content of the printed textbooks with additional features to enrich their learning experience.

Discovering Geometry began in Michael's classroom over 35 years ago. During his first ten years of teaching he did not use a textbook, but created his own daily lesson plans and classroom management system. He believes students learn with a greater depth of understanding when they are actively engaged in the process of discovering concepts and we should delay the introduction of proof in ...
