George Washington On Leadership Richard Brookhiser
This book is mostly a collection of short stories about George Washington. The author,

Richard Brookhiser, uses these stories to highlight specific leadership characteristics. Unfortunately, his efforts are only marginally successful. In several cases, the connection between the story and a leadership trait is somewhat superficial.

[George Washington On Leadership - Kindle edition by ...](#)

Most of all, he did not allow himself to be swept up in the war hysteria of Anglophile and Francophile. Unlike Woodrow Wilson, George Washington actually did keep us out of war, at considerable cost to his short-term popularity, if not to his historical reputation. But of course, he supplied positive leadership as well.
