**Little Toot** Baby Gym

The Cat Kid Comic Club is deep in discovery in the newest graphic novel in the hilarious and heartwarming worldwide bestselling series by Dav Pilkey, the author and illustrator of Dog Man. The

comic club is going in all different directions! Naomi, Melvin, and siblings are each trying to find their purpose. Naomi has an idea to get rich quick that causes a lot of commotion and emotion. And when faced with rejections, the friends try and try again to stay true to their vision. To top it off, a surprise visitor comes to class to stir things up. Will a desire for money and power cloud Naomi's purpose? Is it quitting time? Will the club ever be the same? The hilarity is nonstop as the baby frogs navigate sibling relationships, follow their path, and create art

-- with purpose! Featured as stories-within-the-story, the mini comics showcase each baby frog's perspective and individual art style. In this groundbreaking graphic novel series, award-winning author and illustrator Dav Pilkey uses a variety of techniques -- including acrylic paints, colored pencils, photography, collage, gouache, watercolors, and much more -- to illustrate each frog's creative purpose and encourage teamwork. The kaleidoscope of art styles, paired with Pilkey's trademark storytelling and humor, fosters creativity, collaboration,

A complete guide to the management and restoration of water in karst environments Written by the co-chair of the Karst

Commission of the International Association of Hydrogeologists, this book addresses the unique challenges related to the characterization, management, and protection of karst aquifers, which are present on all continents and numerous oceanic islands. Water in Karst describes karst hydrogeology and hydrology, surface water-groundwater interactions, site investigation, data collection, delineation of drainage areas, groundwater extraction,

regulatory issues, and water vulnerability and restoration. Predictive modeling methods and solutions to resource contamination and overexploitation are included. Photos, diagrams, and an eight-page color insert illustrate the concepts presented in this practical, comprehensive reference.
