The value of stamps – Auktionshaus Felzmann

By August 1923, with the value of the German Mark fluctuating from day to day, designing and printing new postage stamps was out of the question. For the postal service of the Weimar Republic, there existed a state-of-emergency. Beginning in August and proceeding through October of 1923, the postal service began applying re-valuation overprints to existing stocks of lower denomination stamps.

The cancellation reduces the value of stamps. However, money was very scarce in Germany at the time and stamps were almost exclusively purchased for the purposes of postage. The high denominations – 70, 80 and 90 Pfennigs – were seldom set aside in those days but rather were used for sending letters and parcels.

German Stamp Price Guide

Before the unification of the German Empire in 1871, about half of the 27 individual German states issued their own stamps. Among the most interesting are the low-value stamps created for the states of Brunswick and Mecklenburg-Schwerin, which could be divided into quarters for minor postage needs.
