Late Modern English Syntax DigiCat

Sometimes the magic inside us isn't meant to be discovered. . . . Orphan, exile, priest, Josan has been posted to a lighthouse on the farthest edge of the kingdom. As a member of the collegium, he once dreamed of making a real contribution to the Learned Brethren, but those dreams died after a mysterious fever shattered him, body and mind. At least that's the story he's been told to explain a past he can't remember. But that past has returned . . . with a vengeance. When Lady Ysobel Flordelis is shipwrecked on Josan's island, this sets in motion an explosive destiny. The Seddonian trade liaison is traveling to Ikaria on official business, but her secret purpose is to revive the revolution brutally crushed years before. Neither Ysobel nor Josan can foresee the significance of their brief meeting. But as Ysobel navigates the elaborate court intrigues in Ikaria, Josan will be forced to leave his island exile and embark on a treacherous journey to unlock the secrets that bind his past—an act that could lead him to glory . . . or doom.

English Grammar for Students of French Renard Press Ltd

"...a masterful presentation of grammar--a well-structured, incremental course in diagramming with clear explanations and memorable illustrations of each new principle... Phyllis Davenport understands that if you want to make yourself understood, you need grammar. Her textbook abounds with examples of the ambiguities that result from an ignorance of grammatical rules...The art of diagramming sentences provides students with an indispensable foundation for the study of grammar, and Rex Barks makes the process of learning this skill manageable and fun. The book is laid out in logical, incremental steps, and students are given the opportunity to master one concept before proceeding to the next...It contains many clever devices to help students with tricky concepts (e.g., prepositions are to be remembered as "anything a squirrel can do to a tree.") And it is pervaded by her sense of humor and enthusiasm for her subject. - Lisa VanDamme - Director, VanDamme Academy

Grammar and Usage in the Classroom addresses prospective English teachers who need both to learn basic grammar themselves and to prepare themselves to successfully teach grammar. Based on the author's extensive work with school districts, in-service teachers, and hundreds of his own students, the second edition has been thoroughly revised and reorganized into three parts: Grammar; Usage; and A Glossary of Grammatical Terms. The grammar opens with a chapter on the current state of teaching grammar and usage; presents traditional school grammar; and, in the last grammar chapter, introduces a modern descriptive grammar to analyze verb complements. For elementary and secondary teachers and English majors.
