productivity, it can seem impossible to escape. But in this inspiring field guide to dropping out of the attention economy, artist and critic Jenny Odell shows us how we can still win back our lives. Odell sees our attention as the most precious—and overdrawn—resource we have. And we must actively and continuously choose how we use it. We might not spend it on things that capitalism has deemed important ... but once we can start paying a new kind of attention, she writes, we can undertake bolder forms of political action, reimagine humankind's role in the environment, and arrive at more meaningful understandings of happiness and progress. Far from the simple anti-technology screech, or the back-to-nature meditation we read so often, How to do

*Never Feel Powerless Again--With Psychological Secrets to Control and Influence Every Situation* by David Lieberman | SummaryBook Preview: Though the claims in *Get Anyone to Do Anything* by David J. Lieberman are undoubtedly overstated, the information is plentiful and well-researched. The techniques suggested seem to be rooted in psychological research and provide plenty of insight into human behavior. Though I would take some of the author's advice with a grain of salt, overall, the book's main principles are useful to those who have difficulty managing personal and professional relationships, and need help navigating challenging social situations. In this age of social media, fake  
news, individualism and  
information overload, the  
certainties we relied on in the  
past are gone. In our quest for  
assurance and support, the only  
seemingly dependable pillar left  
is other people. So we look to  
them. But they are unsettled  
too. And by looking to them,  
we create and perpetuate our  
own vicious stress-cycle. As a  
result, we lose our sensible  
selves. And we go bananas. But  
there is good news. If we look  
around us, there are people  
who withstand the collective  
lunacy and stay grounded. They  
do something that most of us  
have a hard time doing: they  
stay themselves. And the best  
news is that what they can do,  
you can do too. It doesn ' t  
require any special talents or  
supernatural powers. It only  
requires doing. In this amiable,  
open and accessible book,

### How To Win Friends And Influence People Get Anyone to Do Anything

Based on a Navy SEAL's inspiring graduation speech, this #1 New York Times bestseller of powerful life lessons "should be read by every leader in America" (Wall Street Journal). If you want to change the world, start off by making your bed. On May 17, 2014, Admiral William H. McRaven addressed the graduating

class of the University of Texas at Austin on their Commencement day. Taking inspiration from the university's slogan, "What starts here changes the world," he shared the ten principles he learned during Navy Seal training that helped him overcome challenges not only in his training and long Naval career, but also throughout his life; and he explained how anyone can use these basic lessons to change themselves- and the world-for the better. Admiral McRaven's original speech went viral with over 10 million views. Building on the core tenets laid out in his speech, McRaven now recounts tales from his own life and from those of people he encountered during his military service who dealt with hardship and made tough decisions with determination, compassion, honor, and

Tired of guessing what they 're really thinking? Read people in every situation—in person, on a screen, or in writing—using the new science of psycholinguistics, from a New York Times bestselling author and consultant to the FBI, CIA, and NSA. “ A treasure trove of concepts, ideas, and tools that we can all master to be safer and

happier. It 's a must-read! ” —Joe Navarro, author of **Dangerous Personalities**  
What did your boss mean in that email? Is your mechanic stretching the truth? Whether you 're engaged in a casual conversation or a high-stakes negotiation, it 's critical to understand the subtext of a situation. But with so much interaction happening on screens—via email, texts, or video chat—we are losing the ability to interpret expressions and cues. Furthermore, since many are now savvy about the meaning of body language, it 's become even harder to discern someone 's true thoughts or intentions. A leading lie-detection expert who instructs the FBI and other security agencies, noted psychotherapist David Lieberman, PhD, takes “ people reading ” to a whole new level. Drawing on

---

the latest research in psycholinguistics—the cues embedded in spoken and written speech—he shows you how to apply his cutting-edge methods to countless everyday situations, including:

- Detecting the messaging behind passive language, personal or impersonal descriptions, and level of detail.
- Determining whether someone's account of any incident is the truth or a work of fiction.
- Finding out whether a potential hire, dating app match, or new babysitter is trustworthy or hiding something. Nobody wants to be played a fool. Mindreader will help us identify who can be trusted, and who may be out to get us.
