In her groundbreaking book, *Soul Whisperer: Releasing Lost Souls*, author Annette Rugolo presents a new perspective into the world of spirits, past lives, and soul retrieval. Through the sharing of her real-life experiences, she offers a glimpse into a world that exists around us, which few are open and willing to see. She presents an introduction to spirits of the deceased that remain in this world, how we encounter them, and how to help free them from being stuck here. Through her stories, Rugolo gives a clear sense of what these encounters are like, what we can learn from them, and how to recognize and deal with them if they happen. She also demonstrates the value of soul retrievals, freeing spirits, understanding karmic history, and other related subjects. Rugolo's purpose and passion in life has been to take others from a place of fear to one of understanding and compassion for the souls trapped among us. In *Soul Whisperer*, she guides you to embrace both yourself and others as a soul who exists

beyond the physical construct of our reality. *No Worries: Your Guide to Starting Secondary School* Balboa Press
Eva Traube Abrams, a semiretired librarian in Florida, is at the returns desk one morning when her eyes lock on to a photograph in a newspaper nearby. She freezes; it's an image of a book she hasn't seen in sixty-five years--a book she recognizes as the *Book of Lost Names*. The accompanying article describes the looting of libraries across Europe by the Nazis during World War II--an experience Eva remembers all too well. As a graduate student in 1942, Eva was forced to flee Paris after the arrest of her father, a Polish Jew. Finding refuge in a small mountain town in the Free Zone, she begins forging identity documents for Jewish children fleeing to neutral Switzerland. But erasing people comes with a price, and along with a mysterious, handsome forger named Rémy, Eva decides she must find a way to preserve the real names of the children who are too young to remember who they really are. The records they keep in the *Book of Last Names* will become even more vital when the Resistance cell they work with is betrayed and Rémy disappears. As the Germans close in, Eva records a last, vital message in the book. Decades later, does she have the strength to seek out its answer--and help reunite those lost during the war?

“An intriguing amalgam of personal memoir, philosophical speculation, natural lore, cultural history, and art criticism.” —Los Angeles Times From the award-winning author of *Orwell’s Roses*, a stimulating exploration of wandering, being lost, and the uses of the unknown Written as a series of autobiographical essays, *A Field Guide to Getting Lost* draws on emblematic moments and relationships in Rebecca Solnit’s life to explore issues of uncertainty, trust, loss, memory, desire, and place. Solnit is interested in the stories we use to navigate our way through the world, and the places we traverse, from wilderness to cities, in finding ourselves, or losing ourselves. While deeply personal, her own stories link up to larger stories, from captivity narratives of early Americans to the use of the color blue in Renaissance painting, not to mention encounters with tortoises, monks, punk rockers, mountains, deserts, and the movie *Vertigo*. The result is a distinctive, stimulating voyage of discovery.

Are You Pissed Off That Life Didn't Give You An Instruction Manual? Do you find yourself struggling to figure out what you really

want in life? Or do you know exactly what you want, but can't ever get it because you're trapped by fears, unwanted thoughts, and unshakeable habits? Are you successful in certain areas, but still feel like something is missing in your relationships, finances, physical health, or overall happiness? No matter what your challenge is, the root cause of why we get stuck in any area of life is fundamentally the same. The good news is that when you understand what's really been secretly holding you back, you'll finally have the map for how to escape. You're about to discover:

- The secret to getting answers when you're feeling lost, confused, and have no idea what to do or where to even begin.
- How to tap into your inner strength to experience more motivation, happiness, and fulfillment on demand – regardless of what's happening in your life.
- How to get whatever you want even if you're stressed out, busy, or have a million excuses.
- What the 6 things are that drive all of your behavior and how to tap into them to reprogram any thought or habit on a neurological level.
- What the most common fear is that holds people back, and why you'll never overcome it until you understand this one simple thing.
- Why it's impossible to remove a bad habit, and what you must do instead.
- Why a force stronger than willpower may be your missing link to getting yourself out of any rut.
- Why much of the great advice you've heard, especially from self-help and personal development gurus, may be the very thing that's keeping you stuck.
- Why looking to find your life's purpose is almost always going to backfire on you.
- Why the truth gets you stuck more often than lies, and what the “real” truth is when it comes to you becoming a master of your life.
- How being selfish can be the best thing for you and for the rest of the world.
- Why being stuck may be exactly what you need to make your next breakthrough. If you've ever asked yourself... • What's my purpose and how do I find it? • Why do I know I should feel grateful, happy, or fulfilled but still I feel absolutely miserable? • Why can't I get myself to do the things I say I'm going to do? • Why are people crazy and how do I learn to live with them? • How can I stop obsessive thoughts and get rid of unwanted emotions? • What can I possibly do to change things when everything seems so hopeless and beyond my control? If so, then this will be one of the most eye-opening books you'll ever read. How can I make such a bold claim? I am regular guy who used to be out of shape, broke, and struggling to find answers to life's big questions. After years of study and thousands of dollars spent on education from the world's leading experts in psychology, neuroscience, spirituality, and personal development, I applied many great concepts to my own life. And... nothing much happened. At least not until I discovered a few more key insights that tied everything together into a concise system. Since then, I've become a bestselling author, achieved financial freedom, maintain a fit body year round,

and am living a life of freedom and fulfillment. So I decided to write the book I wish I had handed to me from the very start of things, the instruction manual for life if you will, to help you achieve whatever breakthroughs you desire in your life. This book is my gift to you, and I hope you enjoy reading it as much as I enjoyed writing it. To your happiness and success, Derek Doepker

Would you like to discover in detail Generation Z? Do you work with young people and find it increasingly difficult to interact with them? Have you always dreamed of having a productive and intergenerational team?

Lately, I have started to hear comments about the difficulty of interacting and working with the new generation of young people who have just started to work, Gen Z. But are they really the ones who had to adapt to us? Or are the rest of us the ones who had to adapt to them? Conscientious as I am, I became obsessed with finding a solution for such a problem and coming up with a systematic approach that would allow me to connect with them. For that purpose, I conducted an exhaustive literature review and drafted a methodology to make it possible. After this extensive study, I identified some tricks that worked well with them and developed a methodology that I have been improving based on my experience in recent years. In this book, full of practical advice and anecdotes, you will discover: ? How Generation Z thinks and acts ? The 10 trendy technologies among young people ? My top 10 tips for dealing with them ? How to connect with them in 4 weeks ? How to carry out an agile action plan ? How to create a productive and intergenerational team ? And much, much more. Who is this book for: This book is for anyone who often works or interacts with young people and wants to empower themselves. This book is for you if: · You want to know which generation you belong to · You want to understand generation Z in depth · You don't know how to leverage the latest technologies · You would like to apply agility in your daily life · You find it difficult to reach your goals · You work in an unproductive team It's up to you: You can lament all the problems you have with Gen Z or take action by reading this book.

Is your tween prepared for what's ahead? It used to be that middle school was the time to talk to kids about topics like modesty and body image. Unfortunately, the at-risk demographic for distorted views on the body is

now girls ages 8–10. Fortunately, Dannah Gresh has provided a resource for this need. True Girl is geared to helping tween girls understand their dignity in Christ. It features a creative self-help text format that includes sidebars, quizzes, games, exploded quotes, and graphics to help them absorb the message. Here's what author Dannah Gresh has to say about the motivation behind the book: "My past fifteen years of studying at-risk teen and tween behavior has over and over again led me to good news: girls who are exposed to an age-appropriate, Bible-based understanding of beauty and fashion between the ages of 8-12 tend to be less likely to engage in early sexual activity or have body image issues. They are also more likely to have healthy friendships, excel academically, and become positive social contributors in their communities, all while expressing their beauty and value appropriately. "It's not rocket science. It is social science paired with a whole lot of prayer and Bible study. We can change what tween girls see when they look in the mirror by changing what's inside their hearts." This is the heart behind True Girl: a desire to teach tween girls how valuable they are and how to honor their God-given dignity. Ultimately, it's about grounding girls in their identity in Christ so the tumultuous teen years don't uproot them. This book pairs with True Girl Mom-Daughter Devos, allowing moms a helpful resource for walking through this formative time with their tween girl.
