Finally, a beginning . . . The time had finally come. The time I had been waiting for through all these long months that I knew sooner or later had to occur. Now it was here. She had surprised me so much by actually crying that for a moment I did nothing but look at her. Then I gathered her into my arms, hugging her tightly. She clutched onto my shirt so that I could feel the dull pain of her fingers digging into my skin. She cried and cried and cried. I held her and rocked the chair back and on its rear legs, feeling my arms and chest get damp from the tears and her hot breath and the smallness of the room.

*A Little Friendly Advice* HarperCollins UK

"Deft and lovely...The perfect weight, in all ways. It's suitable for a vacation, and you can describe it in one inviting line, but then it keeps unfolding and deepening, taking unexpected turns." --The New York Times Book Review To four girls who have nothing, their friendship is everything: they are each other's confidants, teachers, and family. The girls are all named Guinevere--Vere, Gwen, Ginny, and Win--and it is the surprise of finding another Guinevere in their midst that first brings them together. They come to The Sisters of the Supreme Adoration convent by different paths, delivered by their families, each with her own complicated, heartbreaking story that she safeguards. Gwen is all Hollywood glamour and swagger; Ginny is a budding artiste with a

sentiment to match; Win's tough bravado isn't even skin deep; and Vere is the only one who seems to be a believer, trying to hold onto her faith that her mother will one day return for her. However, the girls are more than the sum of their parts and together they form the all powerful and confident The Guineveres, bound by the extraordinary coincidence of their names and girded against the indignities of their plain, sequestered lives. The nuns who raise them teach the Guineveres that faith is about waiting: waiting for the mail, for weekly wash day, for a miracle, or for the day they turn eighteen and are allowed to leave the convent. But the Guineveres grow tired of waiting. And so when four comatose soldiers from the War looming outside arrive at the convent, the girls realize that these men may hold their ticket out. In prose shot through with beauty, Sarah Domet weaves together the Guineveres' past, present, and future, as well as the stories of the female saints they were raised on, to capture the wonder and tumult of girlhood and the magical thinking of young women as they cross over to adulthood.

Special-education teacher Torey Hayden's first book, *One Child*, was an international bestseller, thrilling readers on every continent. Their hearts were captured by Sheila, a silent, troubled girl who had been abandoned on a highway by her mother and abused by her alcoholic father, and who refused to speak. As Hayden writes in the prologue to this book, "This little girl had a profound effect on me. Her courage, her resilience, and her inadvertent ability to express that great, gaping need to be loved that we all feel -- in short, her humanness -- brought me into contact with my own." Since then Hayden has gone on to write books about many of her students, but her fans continue to ask her, "What happened to Sheila?" *The Tiger's Child* is her response. Here Hayden tells how Sheila, now a young woman, finally came to terms with her nightmare childhood. When Hayden was working on *One Child*, she showed the manuscript to Sheila, then a teenager, and was astonished to find that Sheila remembered almost nothing of her troubled younger years. She had no recollection of her many clashes with her teacher as Hayden tried to break through her emotional pain. And although Hayden had managed to get Sheila to communicate and become an active and lively child, Sheila's home life was still very troubled. Her father had been sent to prison when she was eight and Sheila had run away from a series of foster homes until finally she was placed in a children's home. But as Hayden continued to renew her relationship with the teenage Sheila, the memories slowly came back, bringing with them feelings of abandonment and hostility. Overwhelmed by the intensity of her awakening emotions, Sheila was driven to suicidal despair. *The Tiger's Child* is the touching, inspiring story of how a maturing Sheila came to perceive her mother not as a monster who willfully cast off her eldest child, but as a weak, forlorn, ordinary human being. Able to appreciate her own strength and resilience, Sheila at last is free to overcome the haunting legacy of child abuse.

Abandoned by her mother, who left to pursue a career as a camp guard at Auschwitz-Birkenau, loathed by her step-mother, cooped up in a cellar, starved, parched, lonely amidst the fetid crush of her neighbours, Helga Schneider endured the horrors of wartime Berlin. *The Bonfire of Berlin* is a searing account of her survival. The grinding misery of hunger, combined with the terror of air-raids, the absence of fresh water and the constant threat of death and disease served not to unite the tenants and neighbours of her apartment block but rather to intensify the minor irritations of communal life into flashpoints of rage and violence. And with Russian victory the survivors could not look forward a return to peacetime but rather to pillage and rape. It was only gradually that Schneider's life returned to some kind of normality, as her beloved father returned from the front, carrying his own scars of the war. This shocking book evokes the reality of life in a wartime city in all its brutality and deprivation, while retaining a kernel of hope that while life remains not all is lost.

Yet an accidental playground "bump" would release a rage frightening to behold. The school year that followed would be one of the most trying, perplexing, and ultimately rewarding of Torey Hayden's career, as she struggled to reach a silent child in obvious pain. It would be a strenuous journey beset by seemingly insurmountable obstacles and darkened by truly terrible revelations—yet encouraged by sometimes small, sometimes dazzling breakthroughs—as a dedicated teacher remained committed to helping a "hopeless" girl, and patiently and lovingly leading her toward the light of a new day.
