Sherlock star Mark Gatiss selects and introduces chilling tales by the unsung master of the classic ghost story - E.F. Benson. There's nothing sinister about a London bus. Nothing supernatural could occur on a busy Tube platform. There's nothing terrifying about a little caterpillar. And a telephone, what could be scary about that?

Ghost Stories: Selected and ...
Ghost Stories, like the name suggests, is a selection of ghost stories by E.F. Benson and first published in the 1910s, 1920s and 1930s. We are introduced to nine short stories, which offer quite a bit of variety in terms of both tone and content. Picking up a ghost book, my expectation was that these stories would be scary.
